

The Galleon 1972

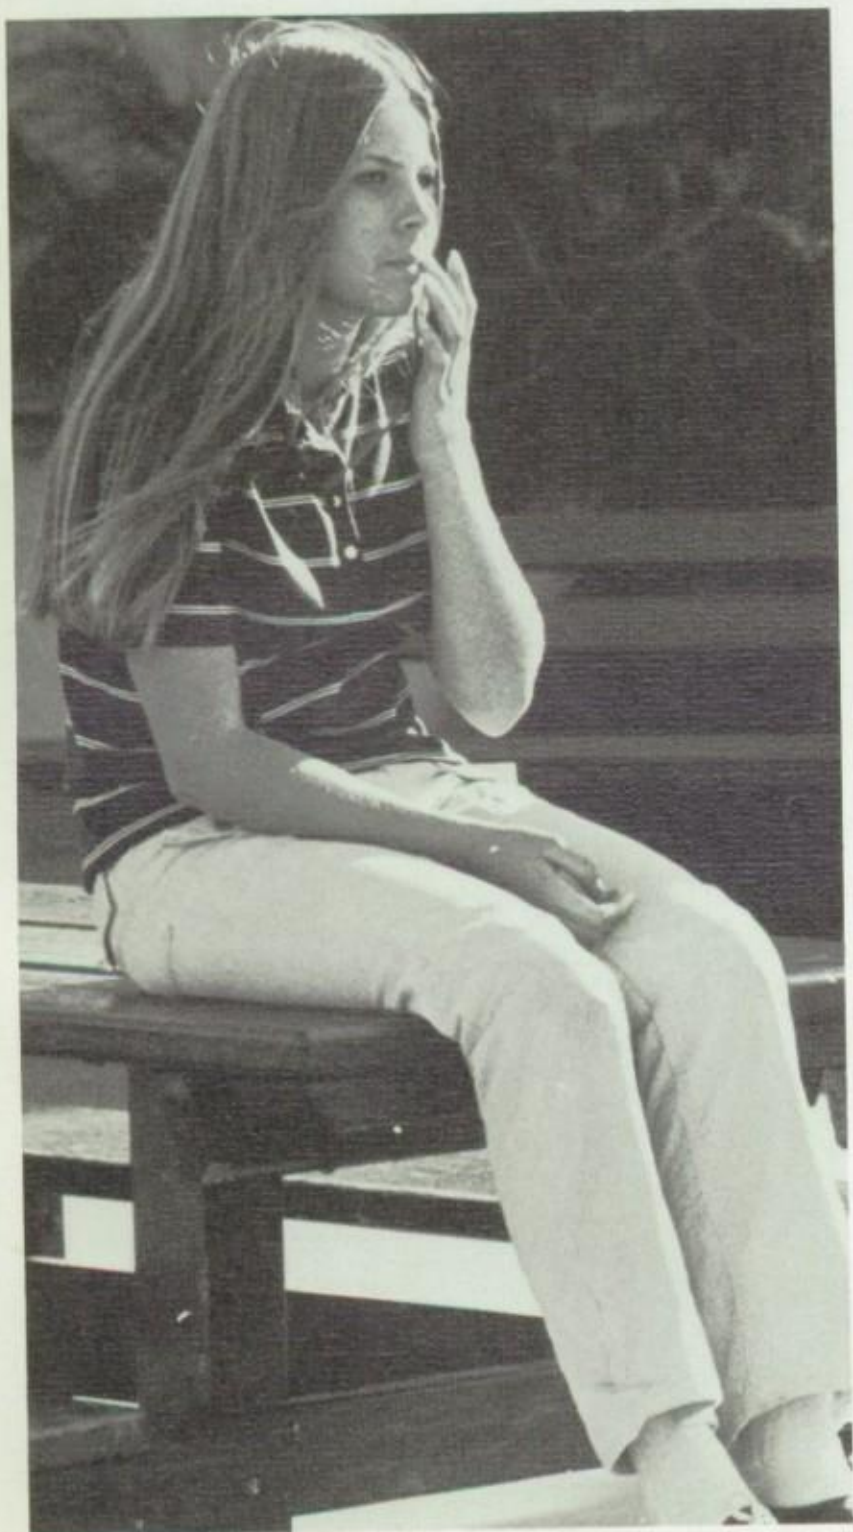

Susanne Brown

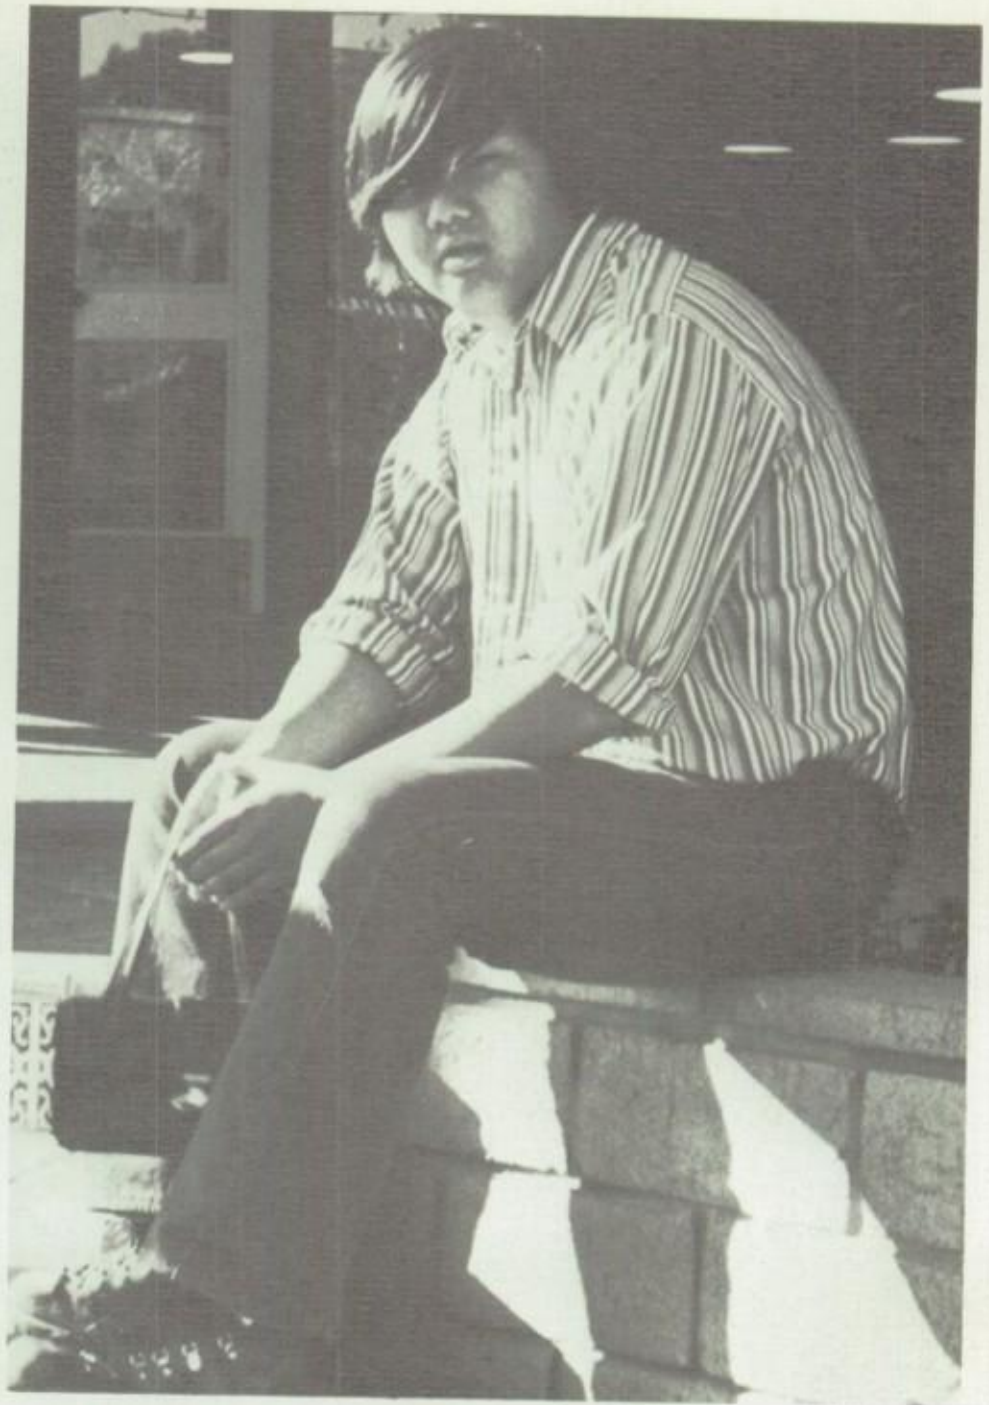

Marian A. Peterson High School
The Galleon
1972

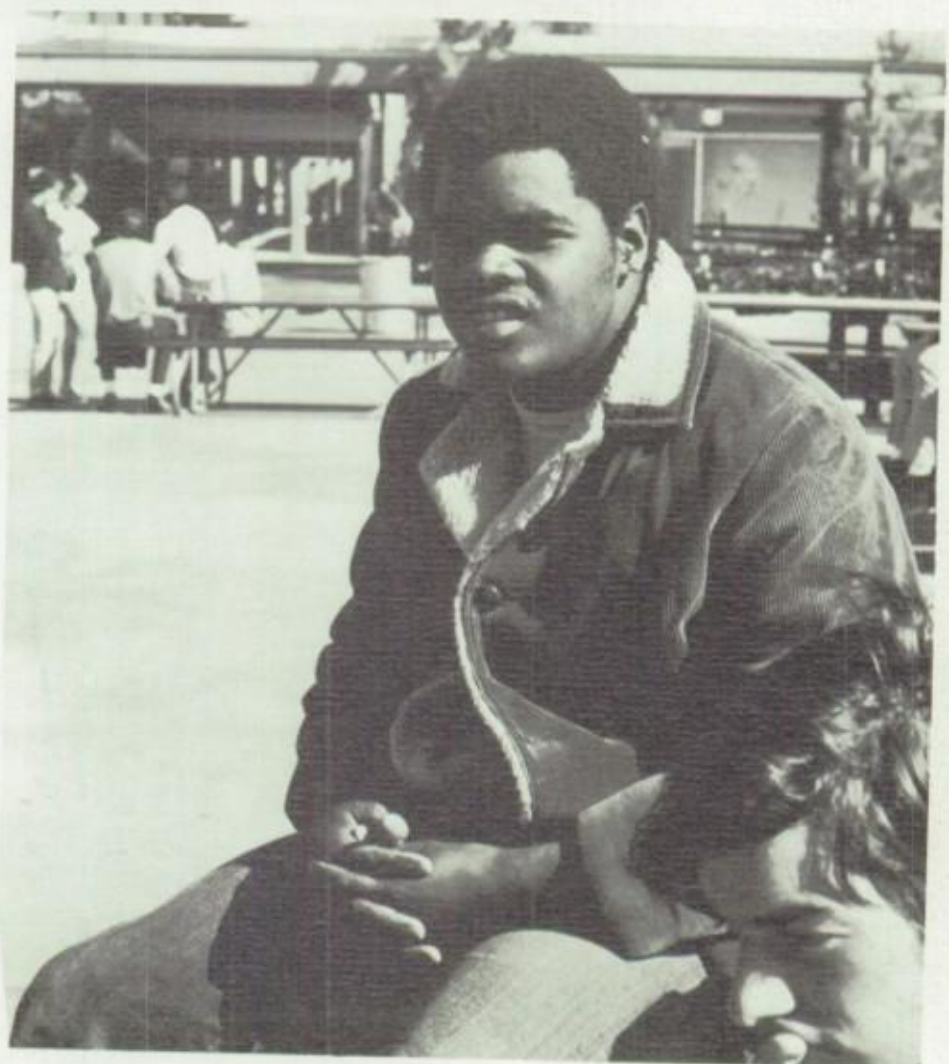

But these are human things.
The point of it all is
out there, a little beyond the last rise
you can just barely see hazy and
purple on the sky.
These pages are windows,
and windows are to see through.

Approaching new beginnings,
We step forward as the sun rises.
Days flow swiftly
at first
in a world that encompasses
laughter, frustrations,
people who care, those who don't,
boredom, activity,
faces and friends
that move across the horizon.

Sunlight fades slowly,
dulling the glare of smiles.
We seek improvement
and further traditions.
People, places and hours pass
as we break from the past
and prepare to find new sunlight
in fresh beginnings.
Learning to understand,
we depart as
the sun sets.

In the afterglow

We experience the sunrise
and learn to view it as
the beginning of life.

We await the sunset
as night approaches
and the day begins to fade.

Yet, it is the afterglow
pale sunlight that lingers in the sky
that enlightens our souls
and prepares us for a new day,
the afterglow within each of us
as we discover that
people are for each other.

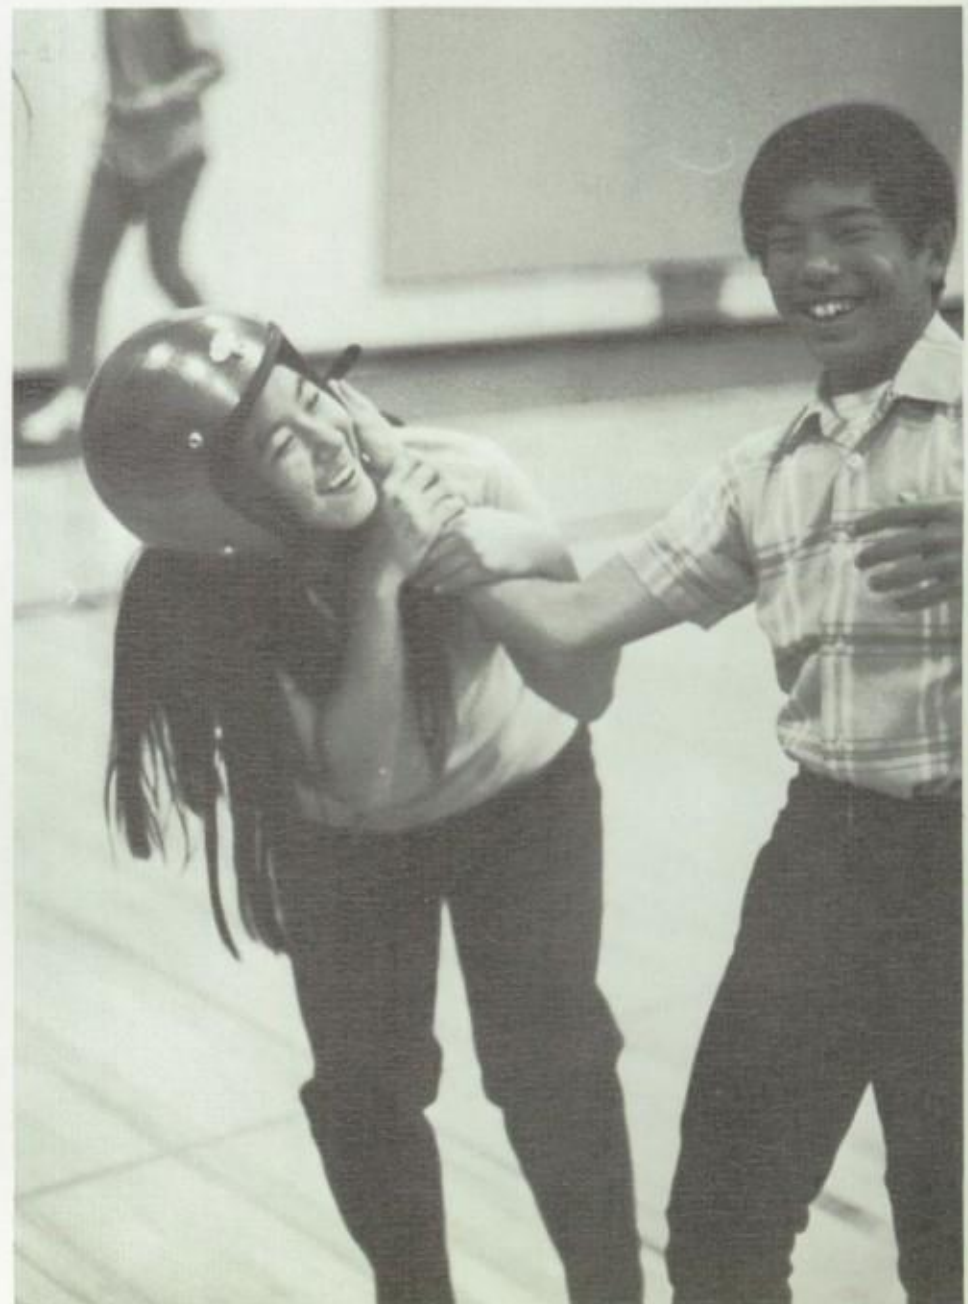

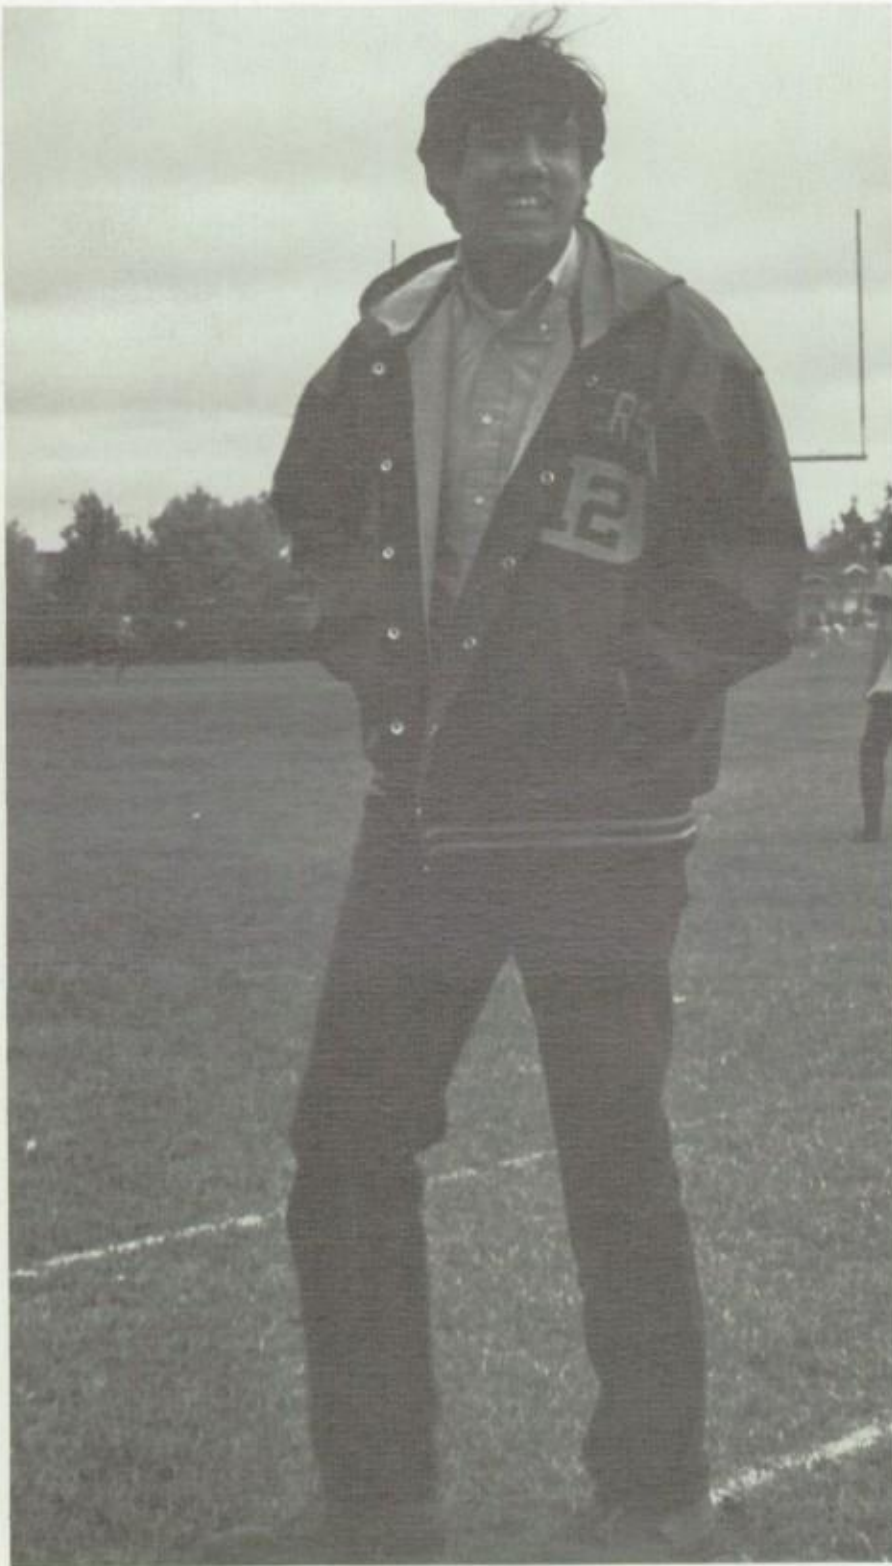

The sun departs,
yet for a passing moment,
yesterday, today, and tomorrow
have met.

Daybreak

finds you up and alive
just as though
you could
touch a star

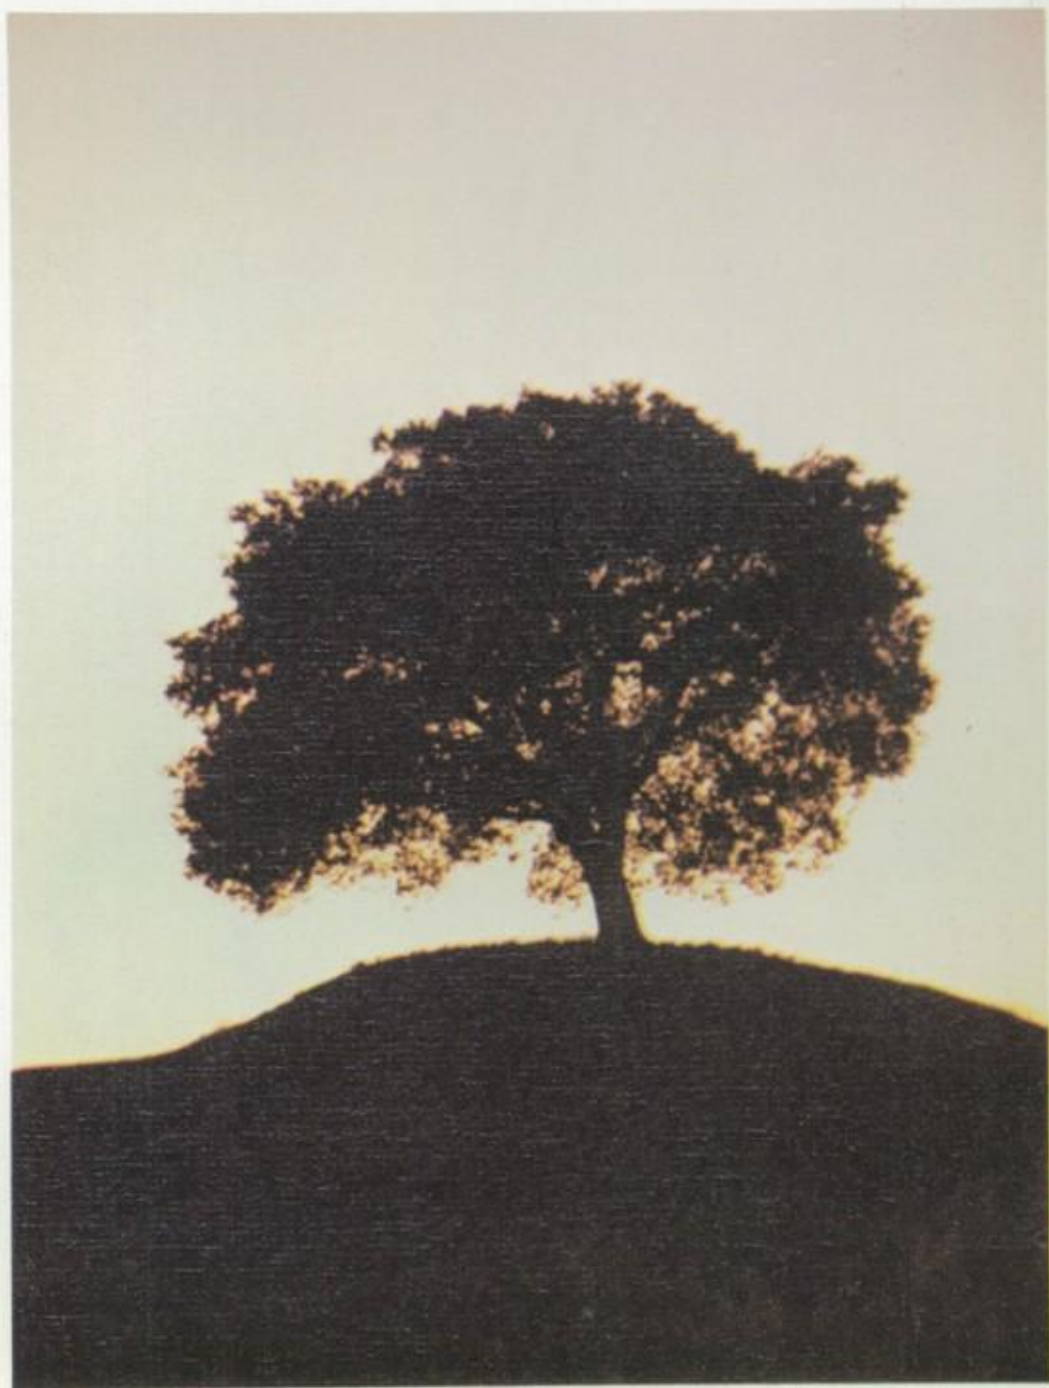

Sunset

Seems to leave you weary
alone
and wondering
who you are.

Daybreak

Sunset

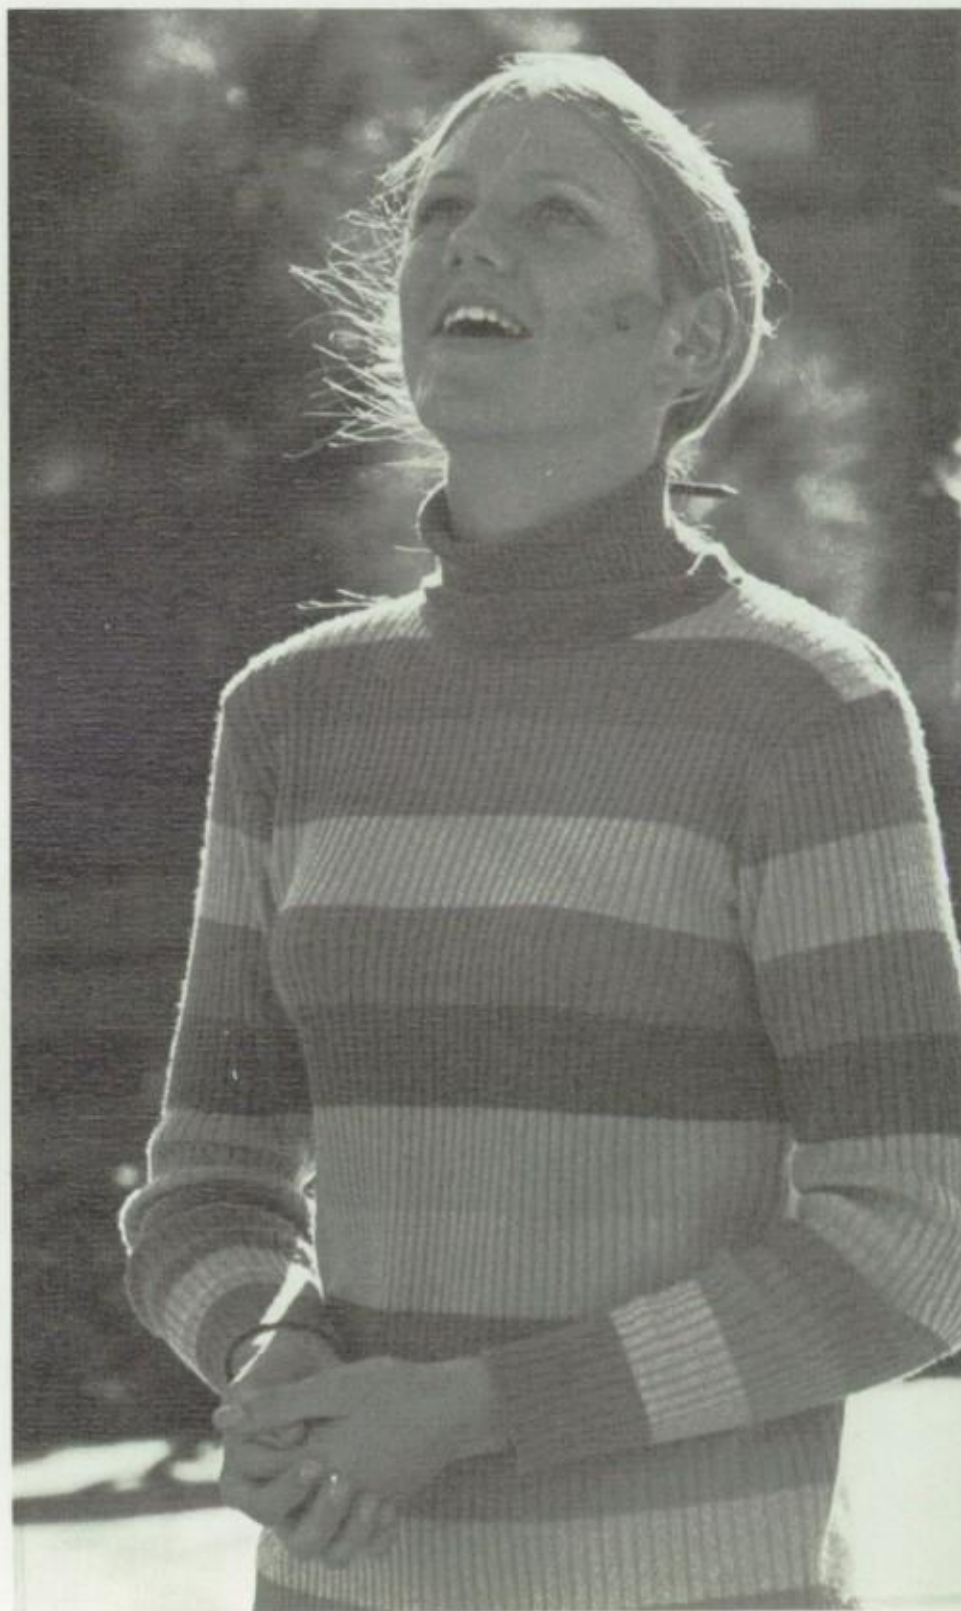

Hot and
cold
running
smiles
and
tears

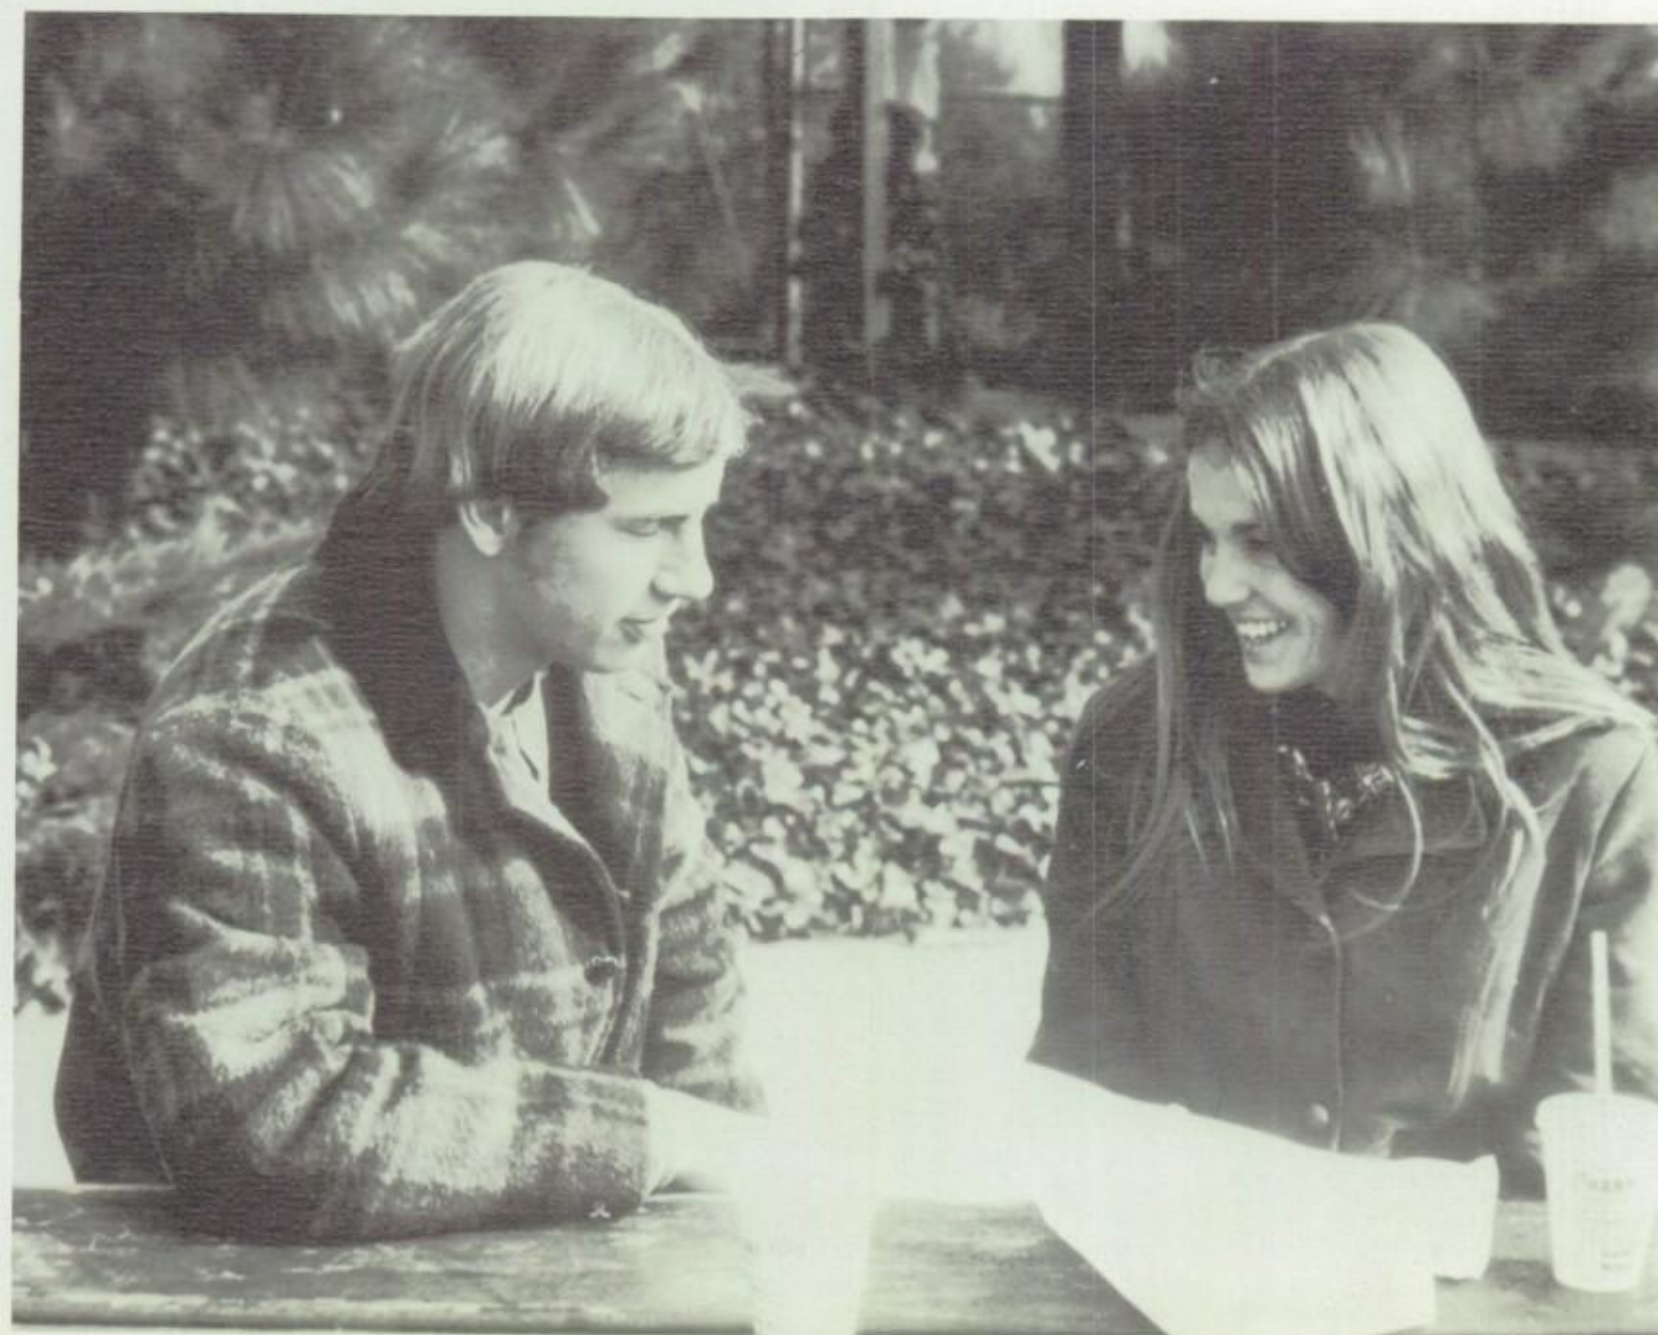

A bright outside to match your foolish pride
but not a word for the lonely years

James Taylor

This is daylight.
Turn and face me
face to face,
and you will see
I'm only me.
Were you expecting
something more?

There are people in my past
Fading faces
in a waking dream
And though they never
seem to last
very long,
there are faces I remember
from the places in my past.

James Taylor

Sunsetting
on days of student body cards,
night rallies, and senior pranks,
Mr. Robert Buchser was no longer Dean
of Students and entered a new world of
friends and frustrations as Vice-
Principal.

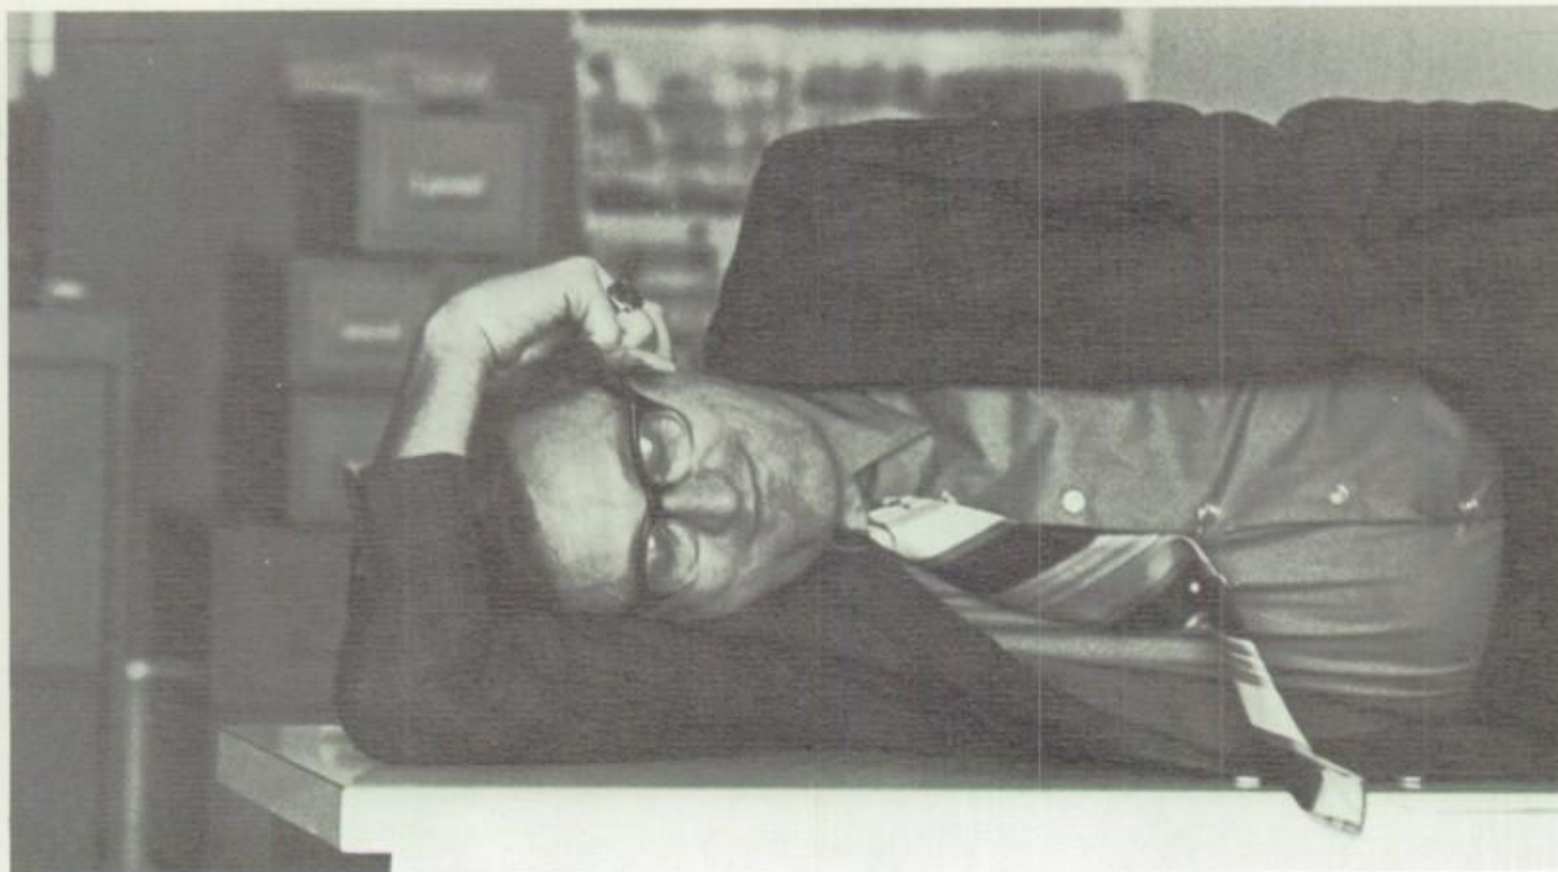

Mr. Buchser shall long be remembered
for his help in establishing traditions
that are now a lasting part of Peterson.

In recognition of seven years as our
"guiding light," the GALLEON offers
its dedication.

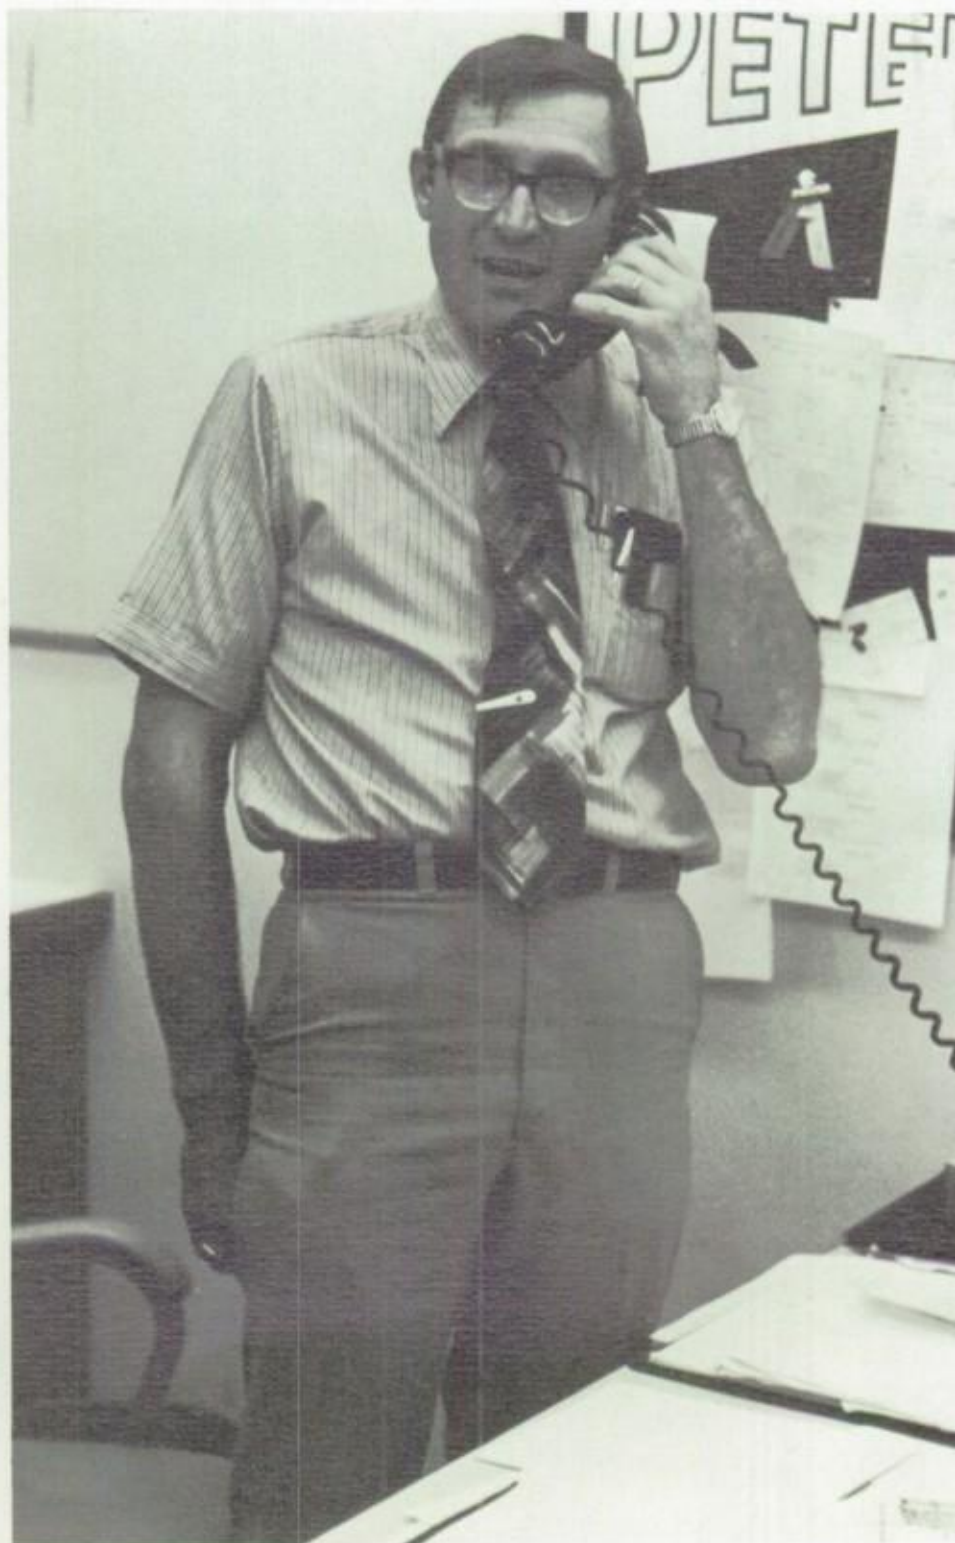

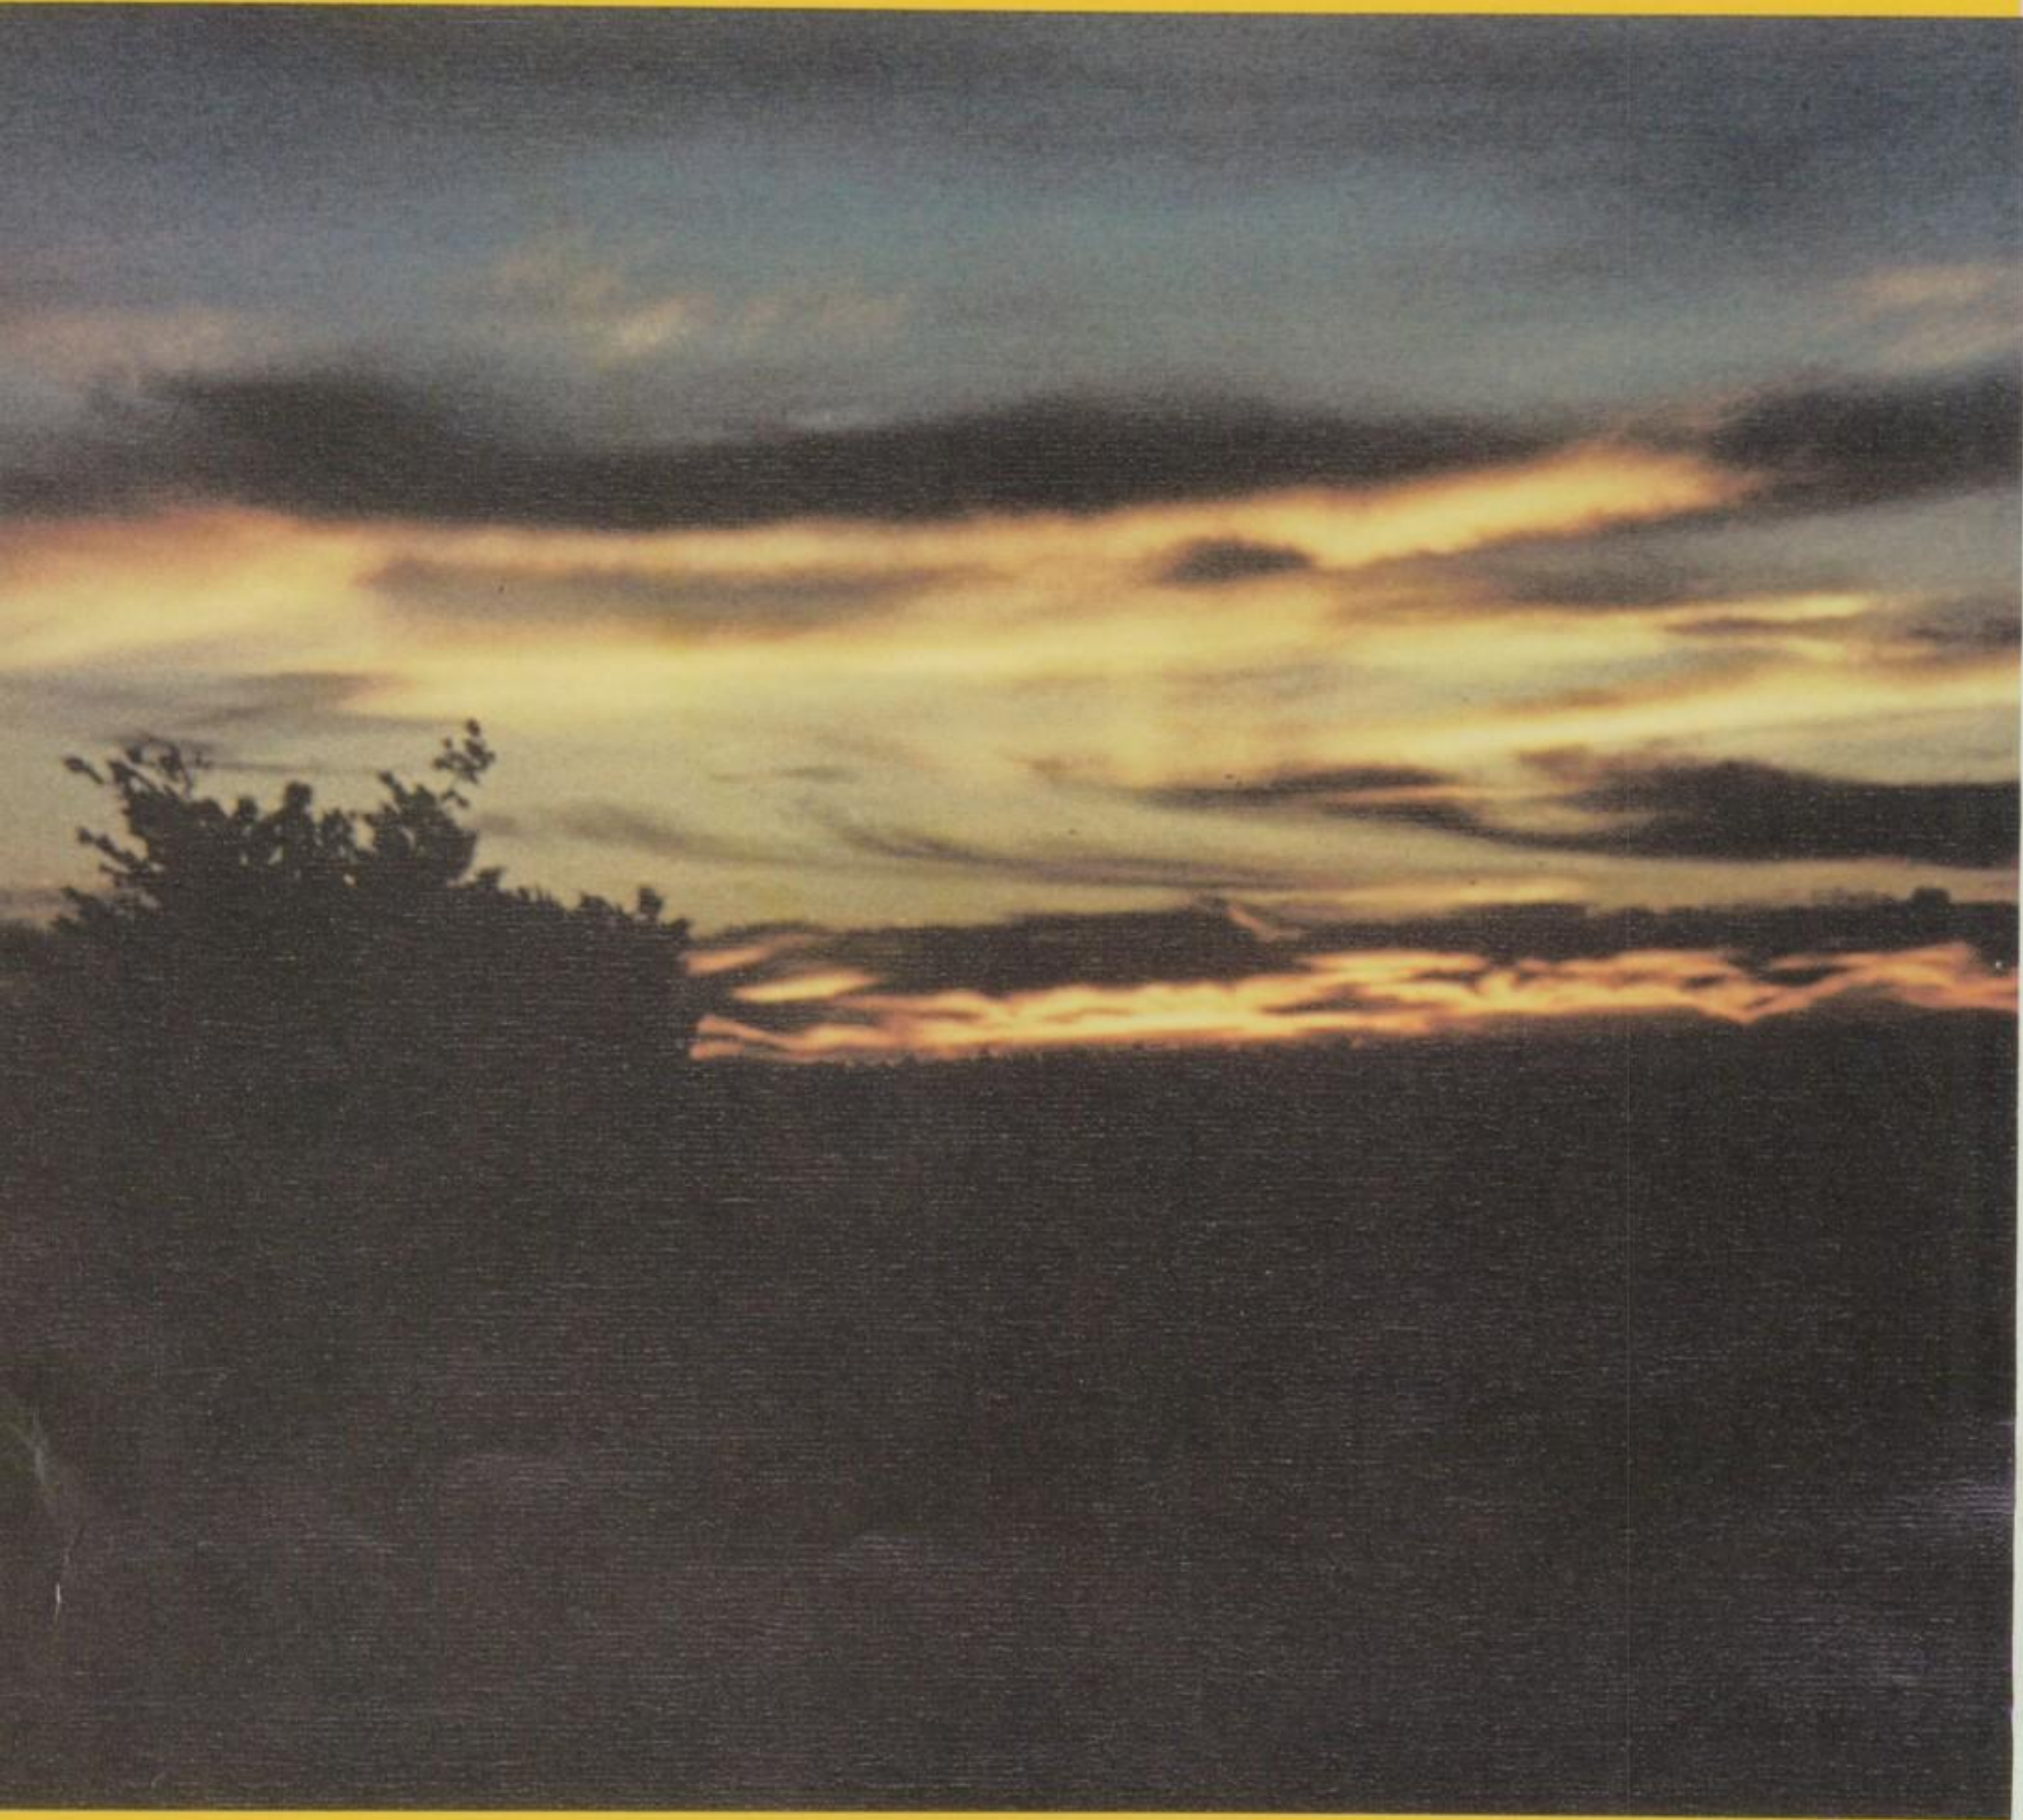

Go while the going is good.
Knowing when to leave
will never let you
reach the point of no return.

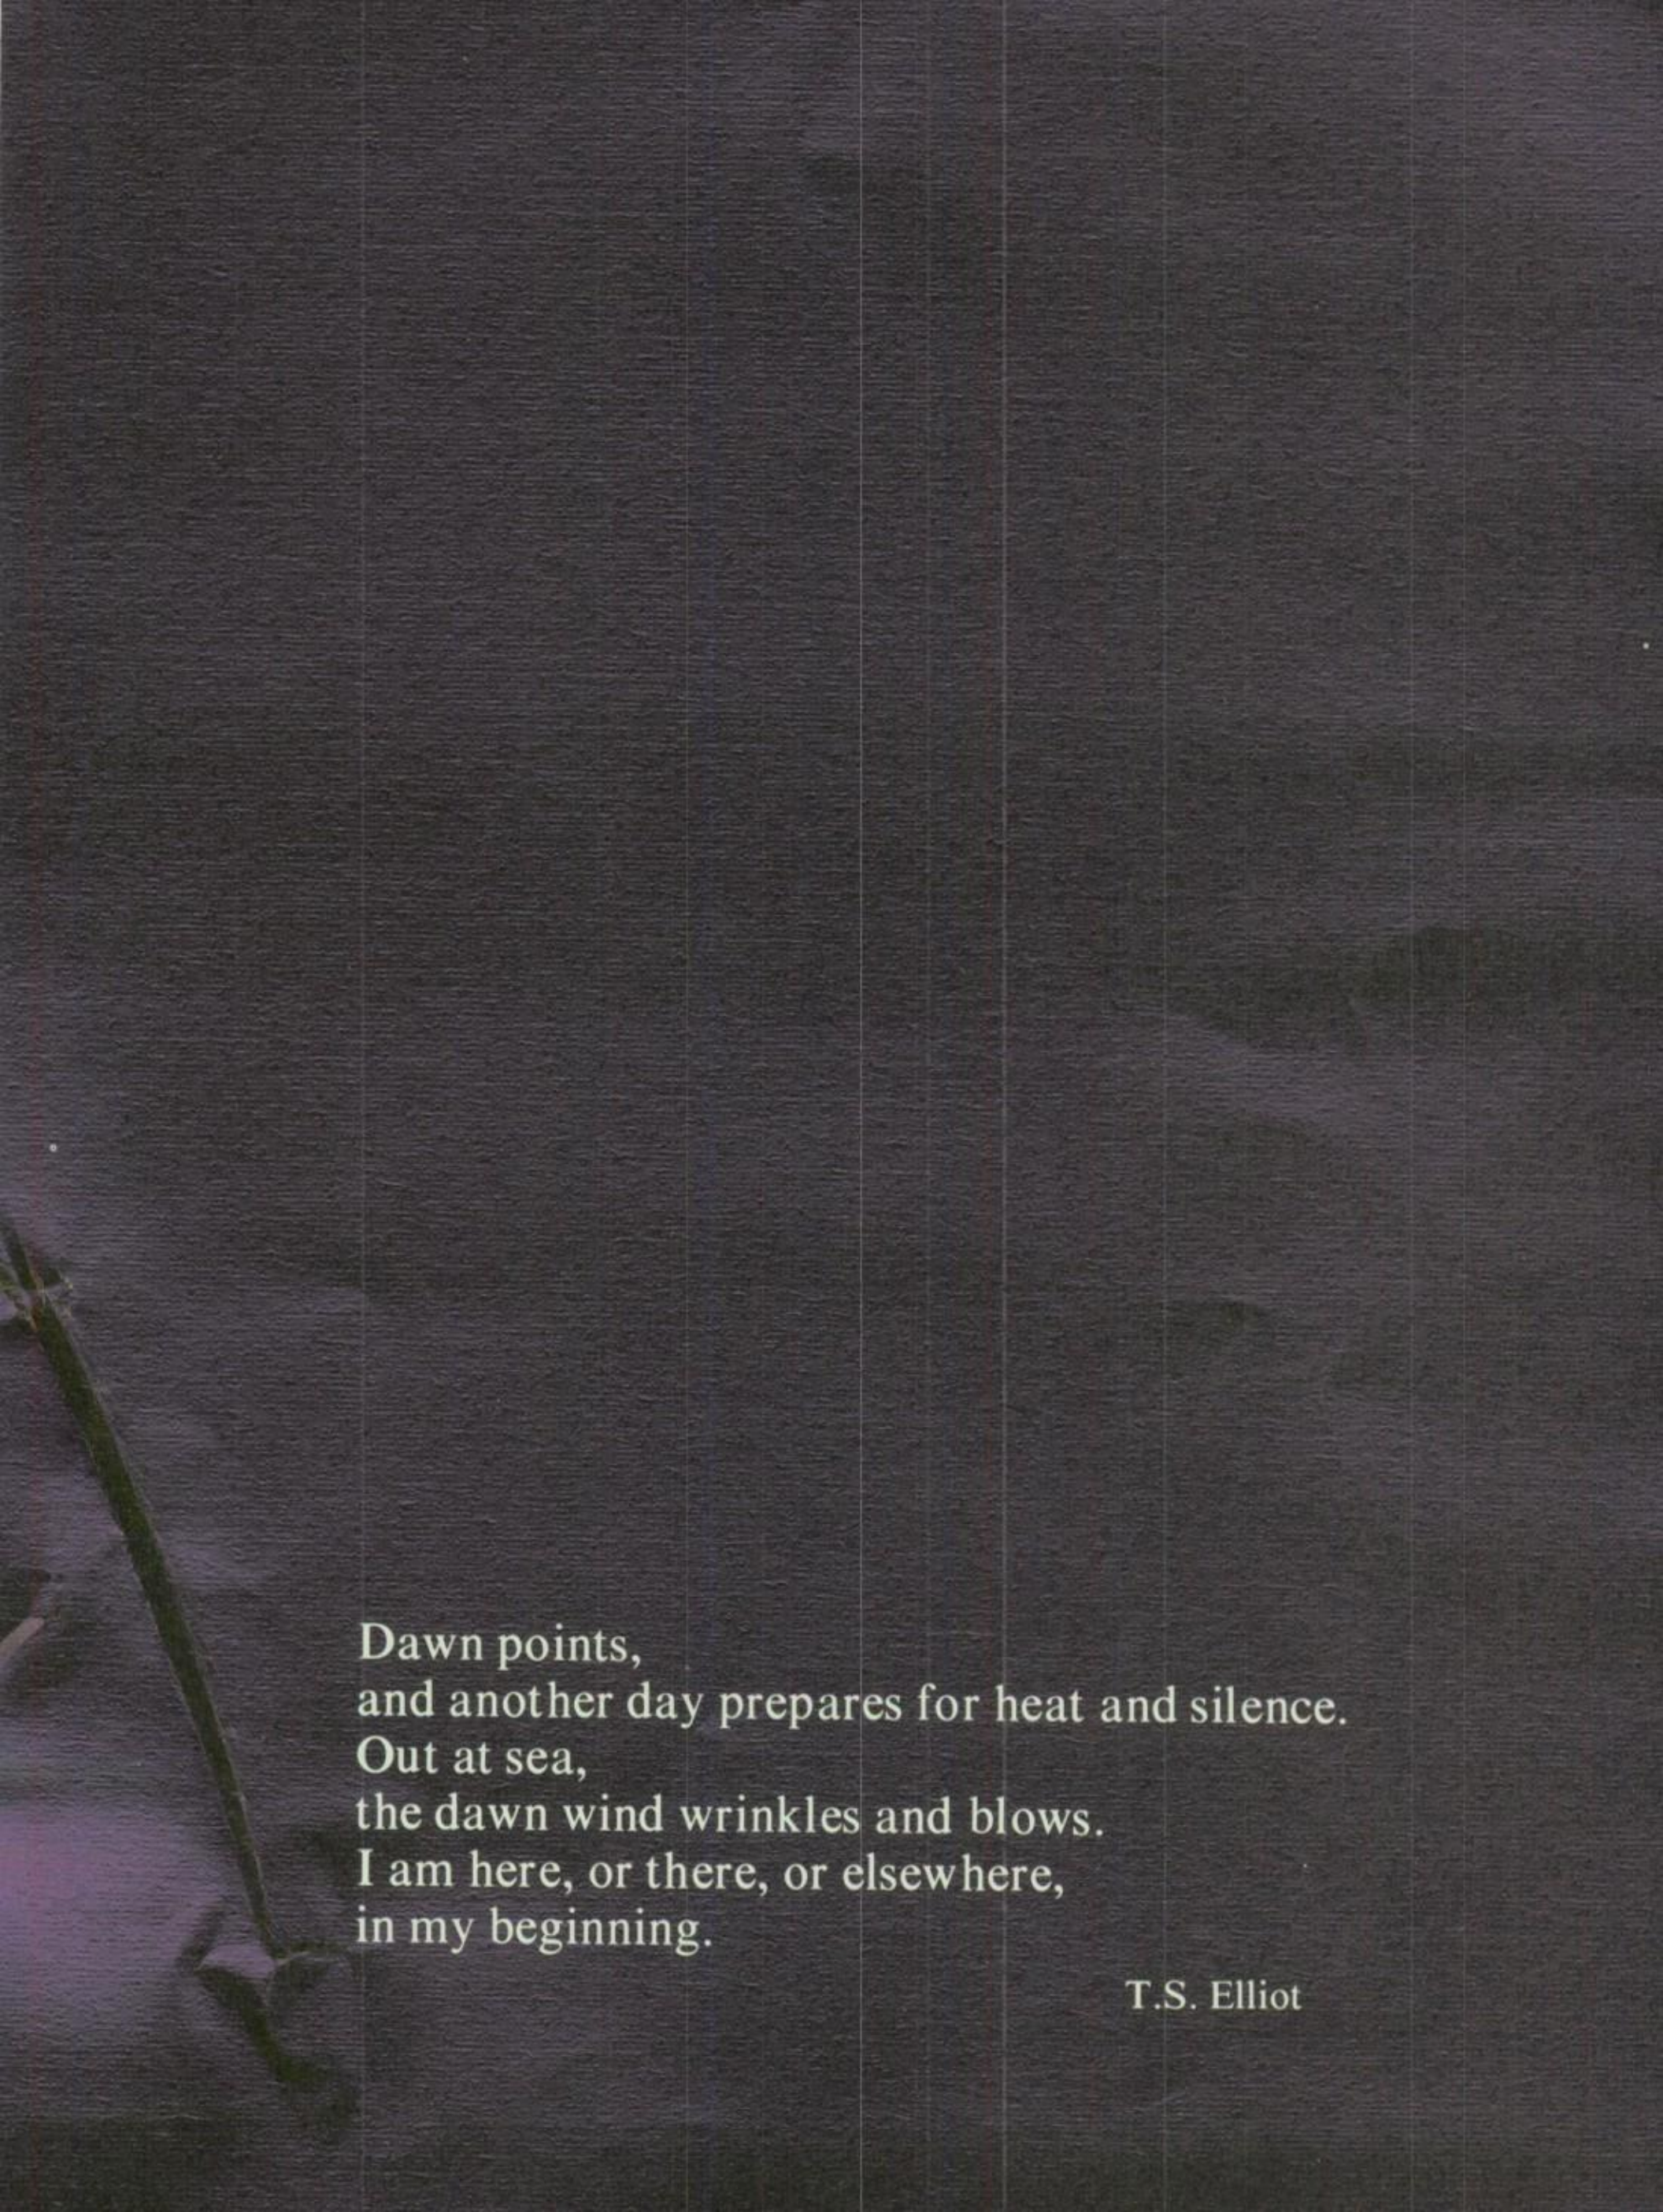

Sunrising
on new opportunities, Mr. Rambis
replaced his slide rule with a
calendar of events and became
Dean of Students. Offering
his help and humor, Mr. Rambis
learned the trials and tribulations
that follow cheerleaders, football
programs and the student council.
Mr. Rambis has shown us his dedication
and at this time, the GALLEON would
like to do the same.

Dawn points,
and another day prepares for heat and silence.
Out at sea,
the dawn wind wrinkles and blows.
I am here, or there, or elsewhere,
in my beginning.

T.S. Elliot

Freshmen officers L-R: Julie Campbell, Sec; Dion Brennan, V.P.; Cathy Loop, Treas; Vicky Ortiz, R.R; Liz Heim, R.R: Mike Nash, Pres.

They turn their faces
to the night, no longer
hiding in the night
so unashamed
and unafraid
that they can face
each other's faults.

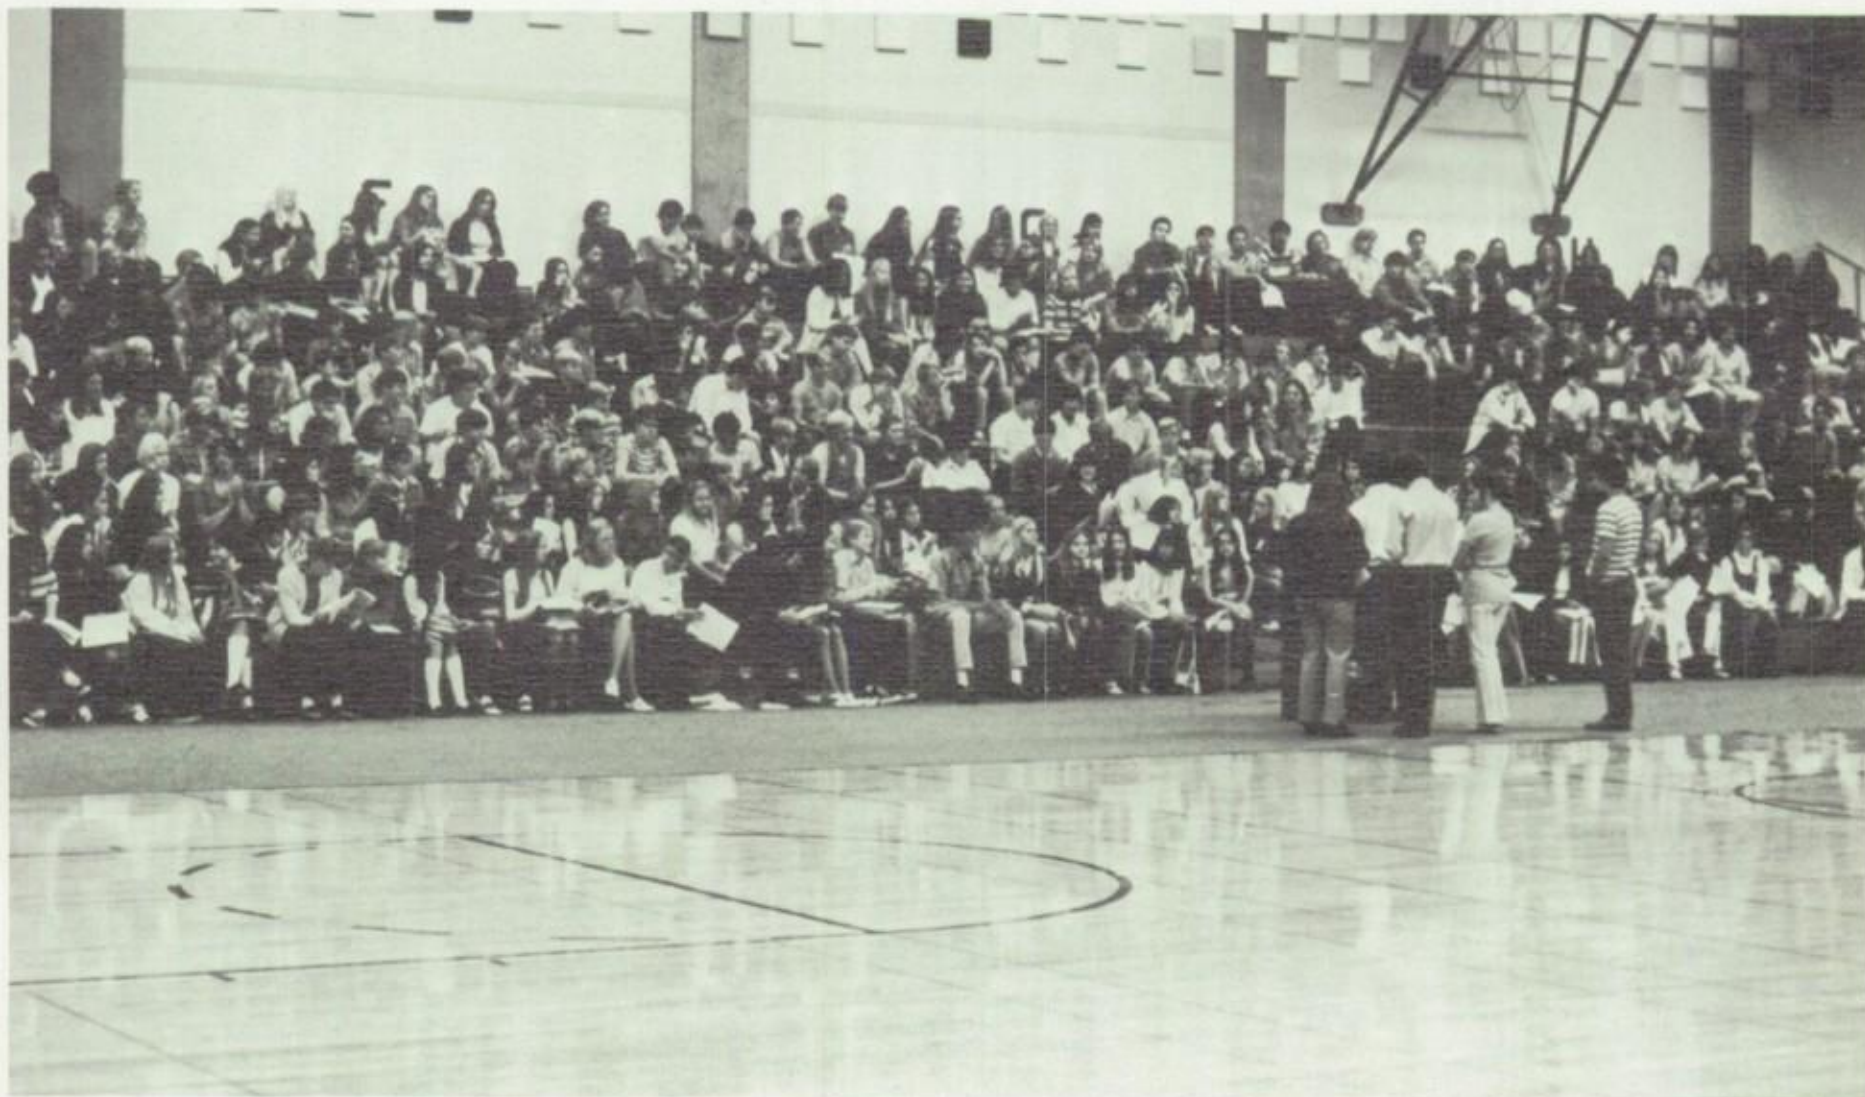

Rod McKuen

The class of '74, under the able direction of Mr. Mike Patterakis, class advisor, Pres. Kevin Brennan, Vice-Pres. Faama Tuilefano, Sec. Nancy Lowe, Treas. Nancy Bulik and Rally Reps Vicki Beardsley and Laurie Anderson won this year's Spirit Week showing once again that "getting it together with spirit" is the only way to win!

The Time

We'll go gently then
into the day
keeping the morning
in mind,
for too soon the sun
eats up the shadows.

of Noon

When you're alone at night,
and the old memories call you back . . .
there is no place to go, no one to call,
try thinking about the sun . . .
think about the time of noon
when everybody's just a little crazy.
What you're thinking about
isn't usually the cause of perspiration
on your forehead.
It's only the sun.
It's just the time of noon.

A dramatic, high-contrast photograph of a sky filled with large, billowing clouds. A bright, glowing light source, likely the sun or moon, is positioned on the right side, creating a strong lens flare and illuminating the clouds. In the lower-left foreground, a dark silhouette of a cross is visible against the horizon. The overall mood is contemplative and spiritual.

This is not the end,
this not even the beginning,
it is perhaps,
the end of the beginning.

Roberta Actor

Terri Adams

Terri has been an avid club member at Peterson. She was involved in the Spanish, Business and Equestrian clubs. She also sang with the Girls Glee.

Terry Adams

"The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with the courage and faith to change what we don't like about today to make a better tomorrow". Terry was an active girl, participating in CSF, Spanish Club and was also Treas. of the Senior Class.

Bill Addison

This political anarchist remembers the day the ROTC threw rocks back at the SDS. It is already evident that Bill has a good imagination. He says that the world needs a totalitarian dictatorship. An active member of CSF, (Bill's California Society of Fascists?) he dictated, "Ein volk, Ein Reich, Ein Fuhrer."

Tony Aguilar

Tony, one of Peterson's newest on the cycle scene, has some bright ideas of what the world needs—nicer days and cleaner air. Fondly known as "weasel", he was part of the championship D-Basket ball team. Words of wisdom—"Work hard, it will pay off in the end."

David Aguilera

Dave will never forget the time he and his friends cut school and went to Monta Vista. The Dean caught them, but because they gave false names and said they went to Buchser, were never convicted. Dave has been a Band member and also in track.

Sandi Albert

Sandi is part party, but if she ever takes the pledge, will still have Root Beer. Sandi was a Rally Rep during her sophomore year. She was also a member of the French and Rally Clubs, and a Library Assistant for 3 years. She advises the underclassmen to make the most of high school because the years go by too fast.

Rueben Alday

This friendly guy was an active part of Peterson. He was Vice-President of his sophomore class. Also a member of Chicanos Unidos, Rueben played soccer. His sense of humor is matched by intelligence, and Rueben plans to attend San Jose State.

John Alder

Dave Aisawa

Isaiah the Prophet, a radical member of the '72 Rowdies, will hold the fond memory of the first Easter Party at Peterson. A studly football player, Dave mellowed out when he gave a world remedy—Southern Comfort. Isaiah leaves Peterson with these words—"All great men are dead and I'm feeling ill myself."

Francisco Alvarez
Frank will never forget the fights in the bathrooms and parking lot. He doesn't have too much confidence in counselors and advises underclassmen to be cautious. Of course he feels the world needs more love and sex.

Rosemary Amato

Dave Anderson
Dave recalls the sense of unity when the class, as Juniors won Spirit Week. He advises against Study Hall and hopes for liberal open-minded thinking in years to come. Dave was a member of CSF and the Business Club.

Steve Anderson
After attending Peterson for four years, Steve feels that students should "stick-it-out-it could be a lot worse." He was active in D-Basketball and wrestled in his soph. year. He was also an industrial arts assistant.

Rebecca Aoyagi
Rebecca has taken an active part in Rally, French and Ski Clubs. She was also a song girl in her senior year. Her advice to lower classmen-to participate in your school because you grow to care more about it.

Don Arata
Don has been a very enthusiastic wrestler here at Peterson. Mr. Bultaco advises underclassmen to find out who their teachers are before signing up for the class. Looking to the future, Don asks, "Has modern man no mercy?"

Kathy Baker

Alice Arreola
Alice looks back to Spirit Week as unforgettable. "Knowing and having pride for your school, being happy, cheerful with friends and others," is her description.

Celia Arreola
"Stay with it; you won't regret it" Celia's advice to lower classmen is well worth while. A great asset to the administration and faculty, she was both an office assistant and student aid. She's really been a great help in the remedial reading program. Celia was also active in Chicanos Unidos and Girls Glee.

Christina Avila
Quiet Chris will not forget the Home Ec award she received in her sophomore year. She was a member of Chicanos Unidos, and advises other students to work hard in school.

Danilo Balderas
Danny will never forget the time he held a stranger's hand in the snack bar, which he mistook for his girlfriend's! He was active in baseball and D-basketball.

Richard Balderas

"The more things that one is ashamed of, the more respectable that person is." Rich has been active in all aspects of school life, including President of the Junior Class, football and wrestling.

Debbie Bennett

Debbie was an active rah-rah, as a Pirette and lettergirl for three years. She was also a member of the Band, CSF and the Spanish Club.

Steve Baldwin

Shy? and quiet? Steve offered several unique additions to Peterson rallies this year. A borderline member of the '72 Rowdies, he must have been a dedicated Petersonite in order to commute from Santa Cruz THROUGHOUT the year.

Debi Benoist

Debi believes in working quietly for her school. She has kept quietly active in all her four years at Peterson. With a wide variety of activities from Pirettes to Senior Council, Debi believes the world would be a better place with "love and a no hands off policy."

Dan Ball

Mike Biesterfeld

"Leroy" was voted best social drinker by his classmates. He's part fun and all party. He advises underclassmen to skip business law. But this year Leroy decided to go out for clubs and became a member of the illustrious Frisbee Team.

Cathy Banbury

This mischievous young lady has been quite active in school as well as "other things." In the Spirit section, Cathy has been in Rally Club and was also a Rally Rep. She has also been in the R.A., switchboard operator, and office assistant.

Roxana Barad

"Life consists not simply in what heredity and environment do to us, but what we make out of what they do to us." Roxana has combined activities with grades, participating in Pirettes, and CSF. She speaks several languages, and plans to major in environmental sciences.

Joe Bedord

Joe, who did his share of concert hopping, feels that the world needs peace and understanding. These words are helping Joe along his way, "Anyone can make money, but it takes a wise man to spend it."

Debbie Banta

Teresa Barron

Elizabeth Beltrami

Janell Bakken
A flapper sitting midst a forest of ferns and sunlight munching upon carrots and freely giving bearhugs.

Richard Bietz

Tom Block
Very active in sports, Tom participated in cross country, track, and swimming. He was a letterman for three years and survived a year of the Galleon.

Heather Blyth
Heather enjoyed finding out how relaxed the teachers and students were. Her activities include swimming, cycling, and yoga.

Ron Bothelho

I shall lead you
for only this short while
not knowing
whether or not
you are to become
one,
in the formation
of even rows of mankind;
or if you are to become
one,
and alone;
an individual
to create a new course
for others to follow.

goes "back to school" next year with a new perspective. As he enters the University of the Pacific to work on a doctor's degree in administration, he will assume the student's routine of lectures, books, and study. Perhaps the social aspects of college will differ for Mr. Martini because even fraternities have their limits. The Class of '72 and all those classes touched by his concerned dedication offer their good wishes and sincere gratitude.

Pirates and band add to our spirit

Williams, R. Barad, L. Paul, D. Buffalo.

The rally club consists of girls from any class that want to join. These girls are the backbone of spirit at our school. They are the ones who do a lot of the dirty work, such as painting posters, announcing game times, making goal posters that give the football players a sense of strength, and helping make sandwiches to sustain the boys after a rough game. These girls have been a great help to everyone and are greatly appreciated.

Varsity Football

This year's Varsity Football team posted an admirable 5-5 overall record. Having to cope with a schedule which included two non-league games against top-rated teams in the country, and three more games which were scheduled against teams on their homecoming dates, our varsity had a tough time. They had greater competition than most and still came out ahead.

Some highlights from the season were a thrilling victory over Buchser (21-20), in the league opener and one of the most exciting homecoming victories ever against county runner-up James Lick High (20-14).

Team captain awards went to John Steward and Bill Hirschman; Most Valuable Offensive player was Dave Ouellette and Defensive Honors went to Dave Maze. The Most Valuable Back was John Dow and Ben Polando was selected as the Outstanding Lineman. John Steward was also selected as the Most Inspirational Player.

Against Los Altos, Mike Gant ran this intercepted pass back for six points only to be disappointed in finding 3 clips called on the play.

At the outset, the J.V. football squad looked forward to a successful season. After punishing Buchser in a satisfying league opener 35-20, the pirates had a run of injuries. The next week against Los Altos (8-20) and later on, the injuries were to become more apparent by severely crippling the offensive attack.

The real story of the season was defense. The strong defense was anchored by such all-league standouts as Fritz Hanna, John Morrison, Steve Munro, Bob Martinez, Gorden Banbury and Mike Gant.

In the next week they lost a heartbreaker to a psyched up Mountain View team 6-7 in the closing minutes. But with a persistent determination, the Bucs came back to register a 7-6 win over Santa Clara's Panthers.

Needing a victory in the final game of year to capture the city title, the players looked forward to Wilcox. The story again was defense. The offense just couldn't move the ball while the defense held well. The game ended 0-6 and we settled for second in the city.

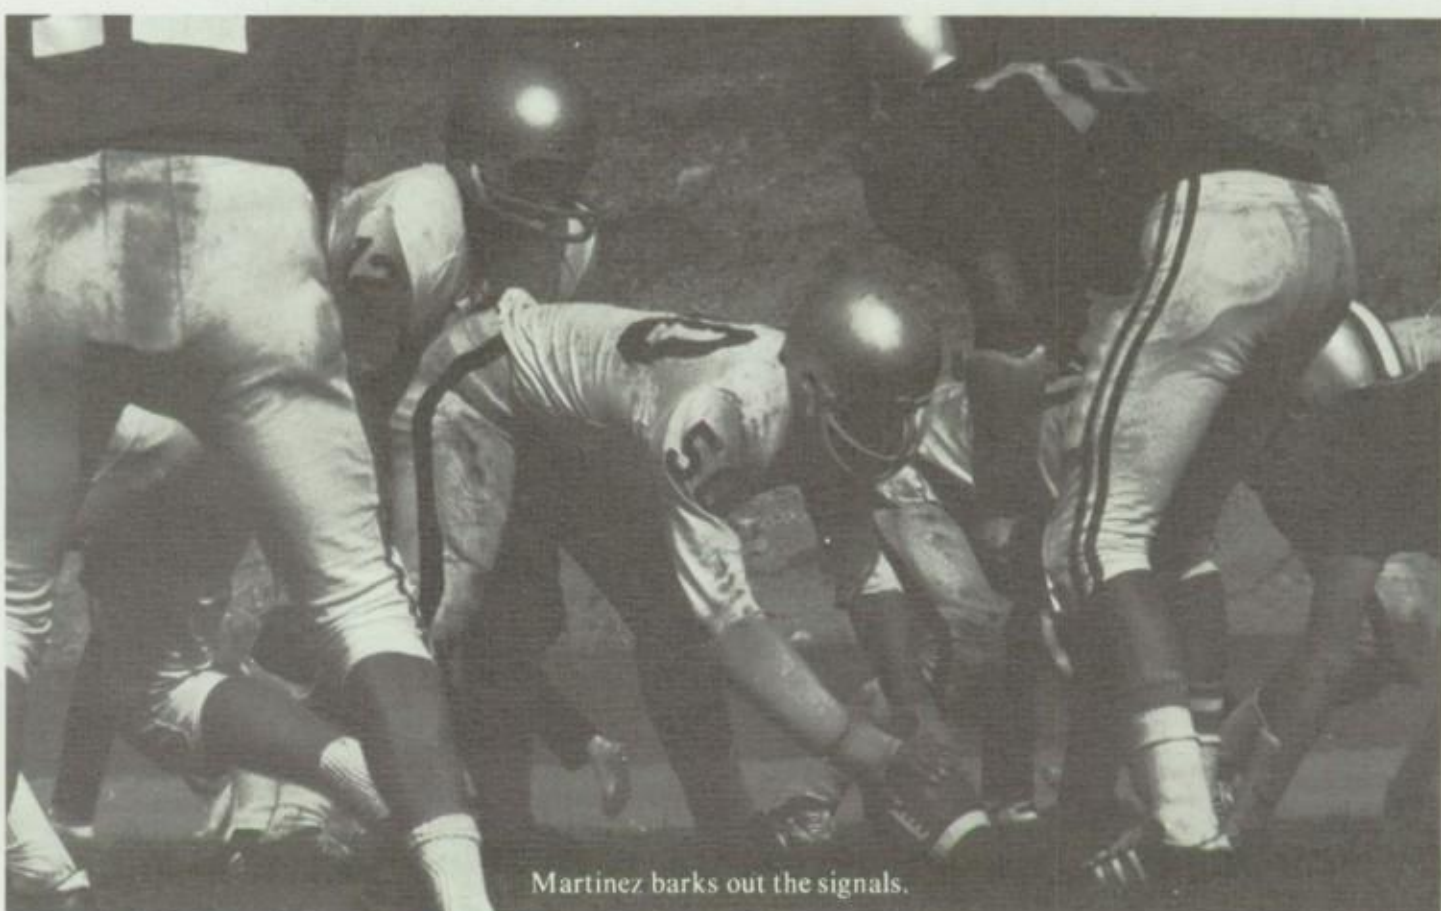

Being left-handed doesn't bother McGregor (11) as he unleashes a first-down pass.

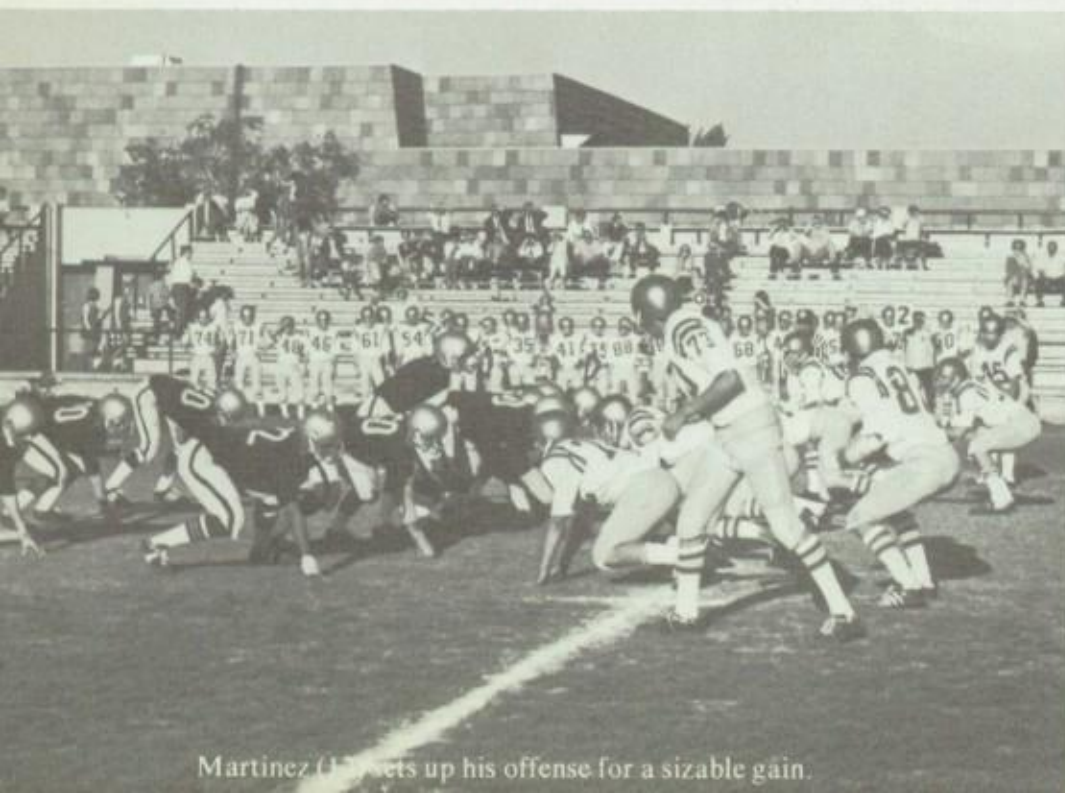

Martinez gives his team the encouragement it needs.

Mike Moretta, Most Valuable Back and 1st Team All-league.

Art Kilton, Most Valuable Defensive Player.

The freshman football squad wound up the season with a 4-2-2 record. Six of these stars received high awards for their fine performance. The whole team ended a good season, being one of the best frosh teams we have had. As coach Rambis states, "The team was very aggressive, but the size difference was the main reason they slacked off toward the end. Because of their size they had many injuries, therefore applying more pressure on the boys playing both offense and defense. But they still came out doing a fine job."

The pirate offense sets up for another touchdown.

Varsity Basketball

Although the record may not show it, the varsity basketball team had a successful season. The team was "in" nearly every game throughout the season, but in clutch situations they didn't have a player to go to; and as a result, the team came out on the short end of the score in most cases. 6-3 Greg Heubschen in the pivot, fighting with guys 3 inches his senior, more than held his own and was never intimidated.

Team awards went to Greg Huebschen for Most Valuable Player, Chris Edmonds for Captain, and the Most Improved Player award went to Tim Brennan. Also the Best Skilled award went to Matt Earle for his 76.2 free throw shooting average, which was also a school record. Earle also set a school record with 68 assists for the season. Greg Huebschen set two school records. Greg had the most rebounds for the season with 261. He also had the best rebound average per game with 12.4. Chris Edmond's 12 assists in one game also won him a school record.

Mike's harsh "Aw, come on" in the Awalt game, drew the team's only technical foul all year to give him the lead in the technical race. For the final game Norm Descoteaux gave a pep talk to help the team on to a 44-40 victory over the Mountain View Eagles.

Team awards went to Mark Hoke and Mike Nakashoji, Mark receiving the Most Valuable Player and Captain awards, and Mike selected as the Co-captain.

The D Basketball team closed out the season with a 13-0 season record, 10-0 league record, and city and SCVAL championship to give it the best record in Peterson basketball history. The undefeated season boosted its string of victories to 17 and added more wins to make it 17 straight without a home loss in 2 1/2 years. Over a 3 year period the team record is 33 wins, 5 losses.

Players receiving team honors were Lon Huntington and Fred Samoranos, getting the Most Valuable Player Awards. Team captain was Craig "Bosco" Oppenheimer. Most Improved Player was Ed Aisawa.

The D's also had five ALL-LEAGUE SELECTIONS with Lon Huntington being chosen first team, Fred Samoranos making second team, and Craig Oppenheimer, Rocky Reyes, and Ed Aisawa making honorable mention.

Peterson wrestling has very much improved. Four years ago, Peterson lost every dual match except for Lincoln. This year we are losing five seniors who helped our team greatly. Last year there were seventy-five boys out and this year there were only thirty-six. Mr. Hazlet's P.A.L. has helped bring good young wrestlers to Peterson. The team's league record is 9-0. The most important thing is that the boys are out for wrestling, not for their letter.

Although the JV team record was 4-6, the spirit of the team was very high. In every match the JV's had there were three forfeits and this was a big disadvantage. Coach Hazlet said, "This is a very young team and will be very strong for next year."

JV captain and most valuable wrestler, Jay McGregor, had an outstanding 6-1 record.

JV most inspirational wrestler Anthony Papapietro wins one at Santa Clara.

Chuck Holl, one of the most improved wrestlers on JV with a record of 6-2.

Mr. Ulwelling, coach of the cross country team, praised the great effort the team showed in winning the City Champs title. He also predicts that the loss of only two seniors should not affect badly next year's team. The Cross Country team took a ninth place in varsity and second in the regionals. Ron Tinker was a favorite in the two miler for freshmen, while Lee Gazley was outstanding on varsity.

Mike Quintal led the team in hitting with a .364 average; he also led in R.B.I.'s with 13. Jeff Gordon was the second leading hitter with a .342 batting average. Mike Garner was an outstanding pitcher, winning in 3 out of 5 J.V. wins.

The Varsity swim team concluded a difficult year by winning three of its last four meets, edging St. Francis 48-47 in a dramatic come-from-behind last relay triumph and whomping Mt. View and Wilcox. George Heinemann, only the third blanket winner in Peterson history, was selected honorary captain by his swim mates. George was an all-league breaststroker. Mike Chamis climaxed four superb years of many victories in the butterfly by winning the trophy for "Outstanding Contribution to Peterson Swim Team." John Penix, winner of 9 of 14 diving duels for the Pirates, claimed the trophy for "Most Valuable Swimmer," and Bill Mc Clain earned "Coaches' Award for Excellence."

Other top point winners who will all return for the 1973 edition are Scott Roesener, Tom Fremd, Mike Brenner, and Steve Hayashida.

Bearing notice of greater things to come, this year Peterson's frosh-soph team splashed to a 7-7 won-lost record. Super sophs Steve Hamilton (mvs) and Mark Holmes were undefeated in 14 duel meets and captured gold medals in the league finals in competition with some of the nation's best at hand. Hamilton roared to firsts in the 100 individual medley and the 100 backstroke. Holmes displayed his talent in the diving event.

Many school records tumbled as other sophomores, in particular, signaled they are ready to bolster the Varsity swim team of '73. In addition to Dave Pearson, who was all-league in the 100 free, Dave Rader, Brad Green, and Keith Armstrong shared in establishing records.

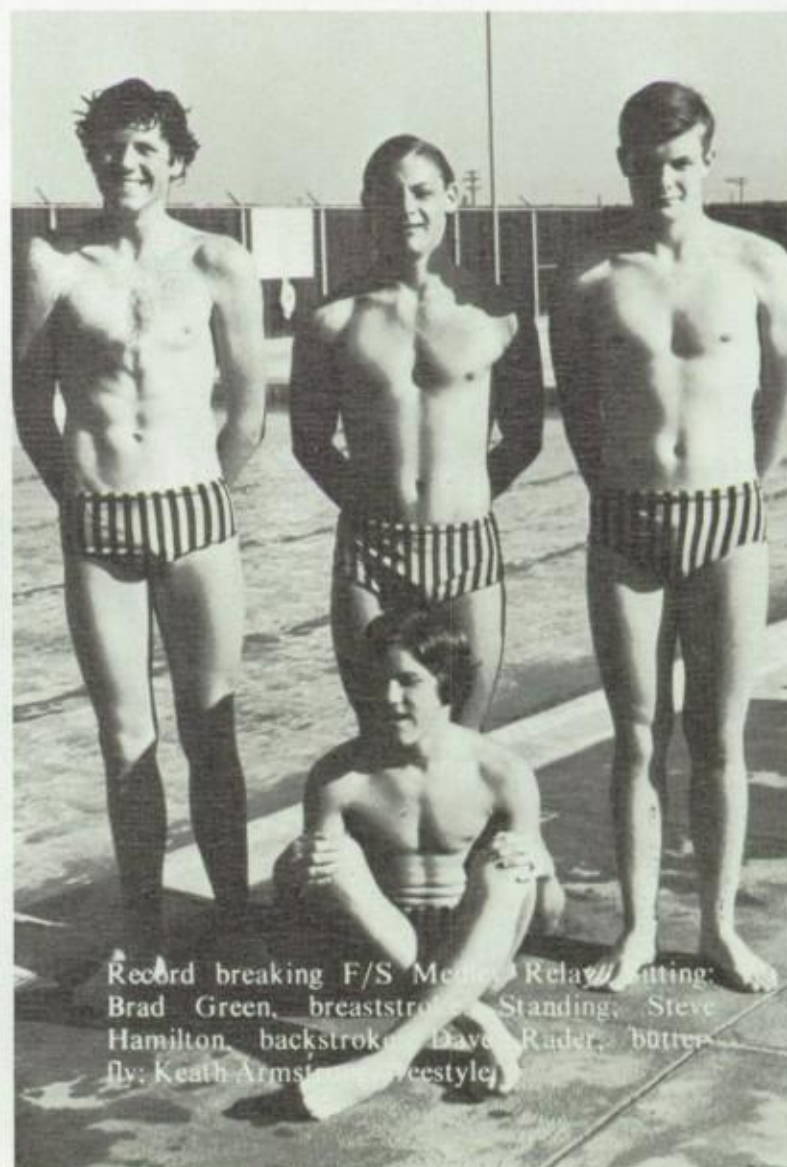

The abundance of other gifted sophomores and freshmen, coupled with the great progress made during 1972 should make 1973 an exciting year.

Gary Turnquist makes it look easy.

This year's Peterson track team performed beyond all expectation. With the help of seniors Gary Turnquist, Pat Gregerson, Art Escajeda, and Dave Aisawa, the track team was held together. But as a group, the freshmen were most outstanding.

Steve Monroe strains with a tremendous throw.

Scott Genter clears it with ease.

Art Escajeda crosses the finish line just in time.

Top Row L to R Coach Chan, M. Forchener, J. Evans, R. Zachelein, D. Hae, Coach Julian, 2nd Row L to R B. Woolsey, M. Coyle, M. Britt, J. Kanemoto, K. Imai.

This year's tennis leadership passed into the hands of coach J.C. Julian. Mr. Hass assumed duties as the J.V. coach.

Both sections achieved significant records. On balance there were more victories than reverses with some outstanding individual performances.

Mike Britt was elected captain of the Varsity. Jeff Kanemoto led the team in number one place. Mike Coyle was chosen as the most valuable player.

Wayne Imahara captained and led the team as Top Man with distinction. David Bell contributed significantly to the team's success.

Both coaches and players look to next year with eagerness and great anticipation.

The sun
departs,
yet for a
passing moment.....

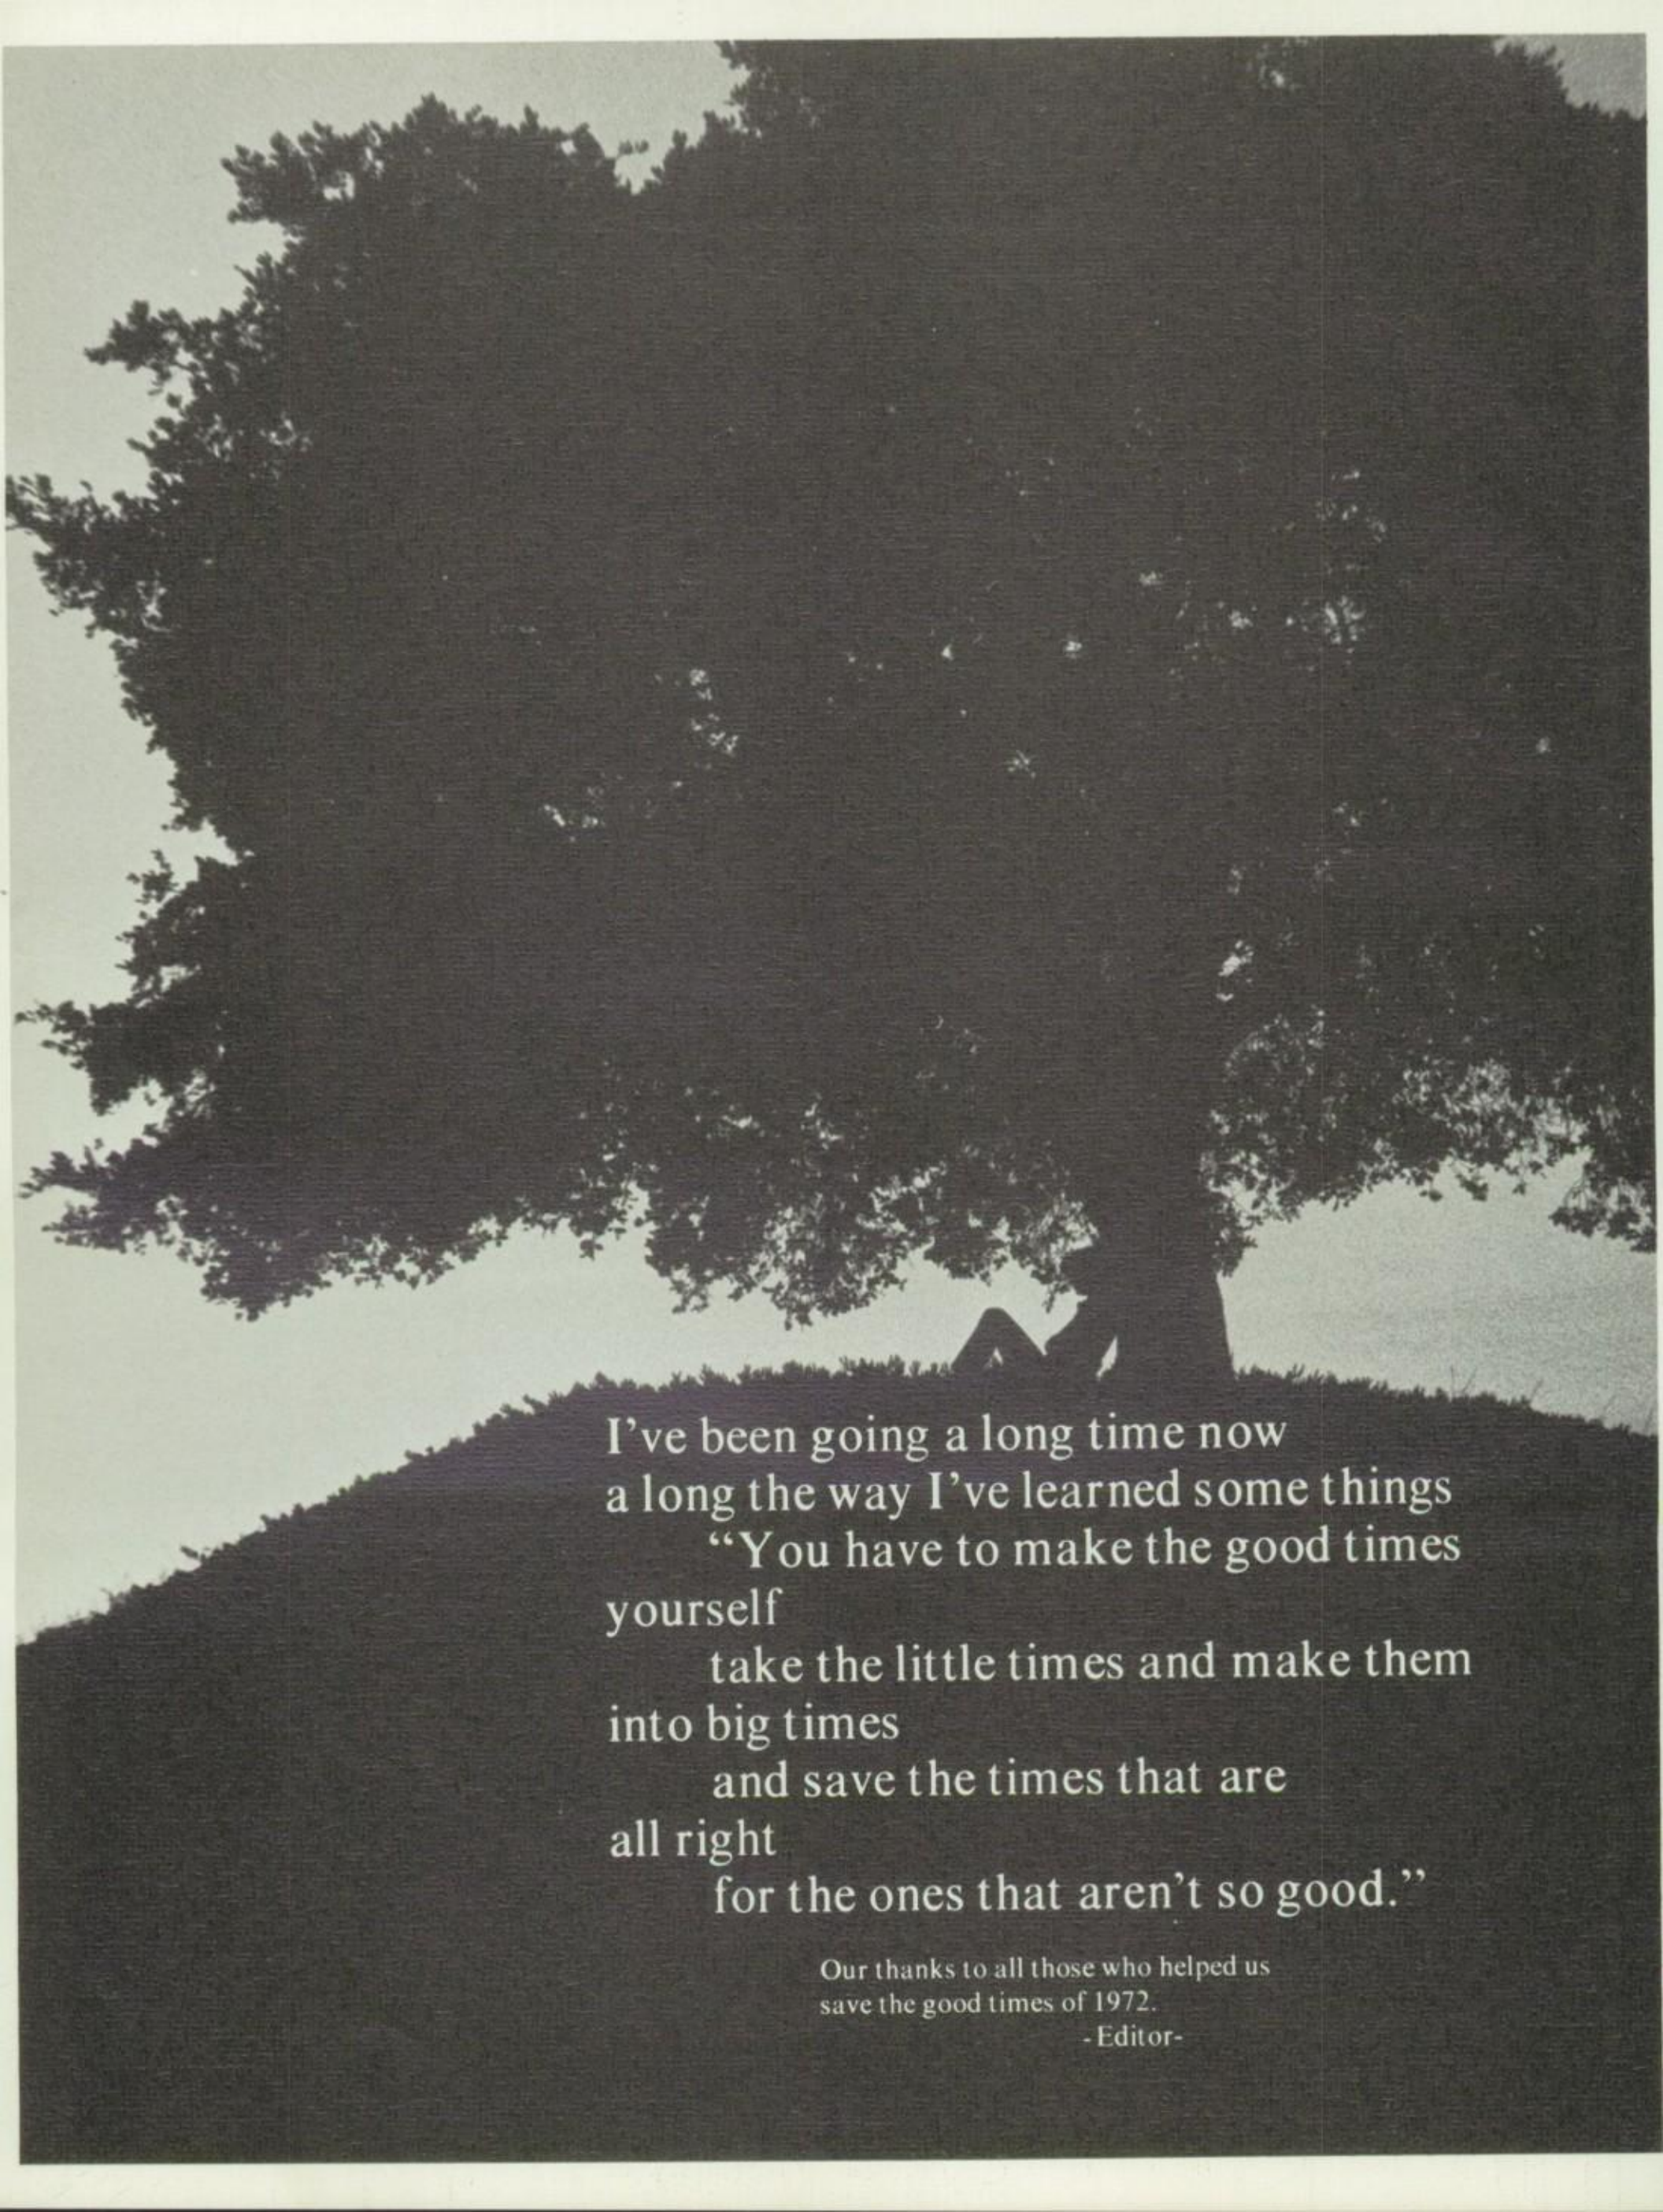

yesterday,
today,
and
tomorrow
have met.

Only a day away
the loneliness is
unbearable.
How will it be
if you are a year gone?

I've been going a long time now
a long the way I've learned some things
"You have to make the good times
yourself
take the little times and make them
into big times
and save the times that are
all right
for the ones that aren't so good."

Our thanks to all those who helped us
save the good times of 1972.
